

OUR CHANT IN A

CHANGING WORLD . . .

The fifty-eighth annual edition
edited by a student staff of
Hamilton High School,

OUR CH ANT

Never in history has our world, and consequently our life, been changed so frequently and drastically. Every day we wake to find new discoveries, inventions, and theories. Yet, some things never change . . . in our school as well as the whole world. For instance . . . our building is improved each year, but our high standards, traditions, and morals are kept at the same high level. September sees a new sophomore class entering our doors; although they're new pupils they are no different from the class preceding them. Our football and basketball records change from season to season, but our good sportsmanship is always the same. Yes, the building, the teachers, and the students change at Hamilton High, but the important factors that make our school a great one will live on forever.

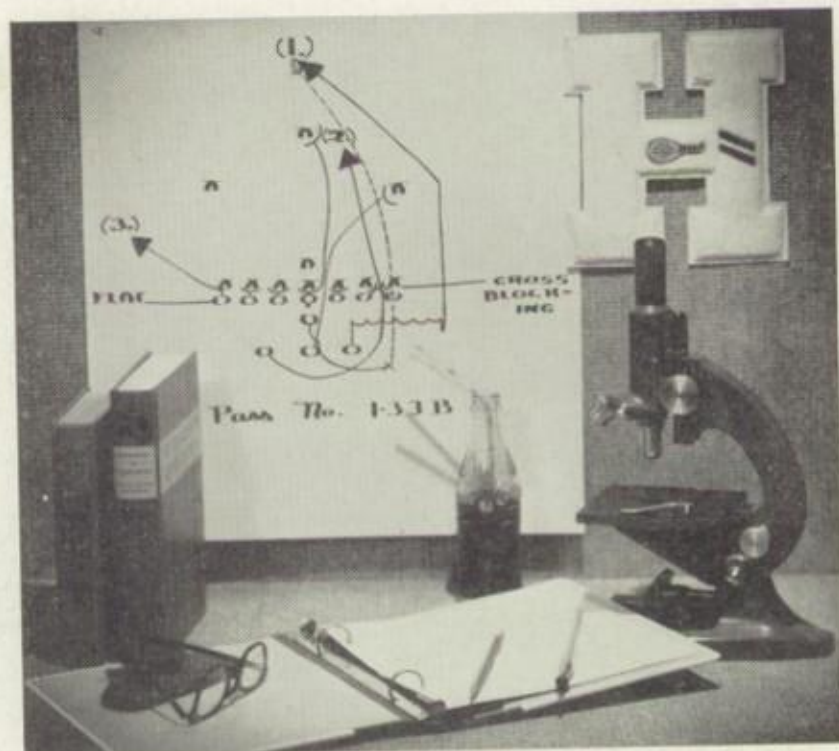

Mary Lou and Ralph symbolize the spirit of the graduating seniors.

WAS CENTERED HERE . . .

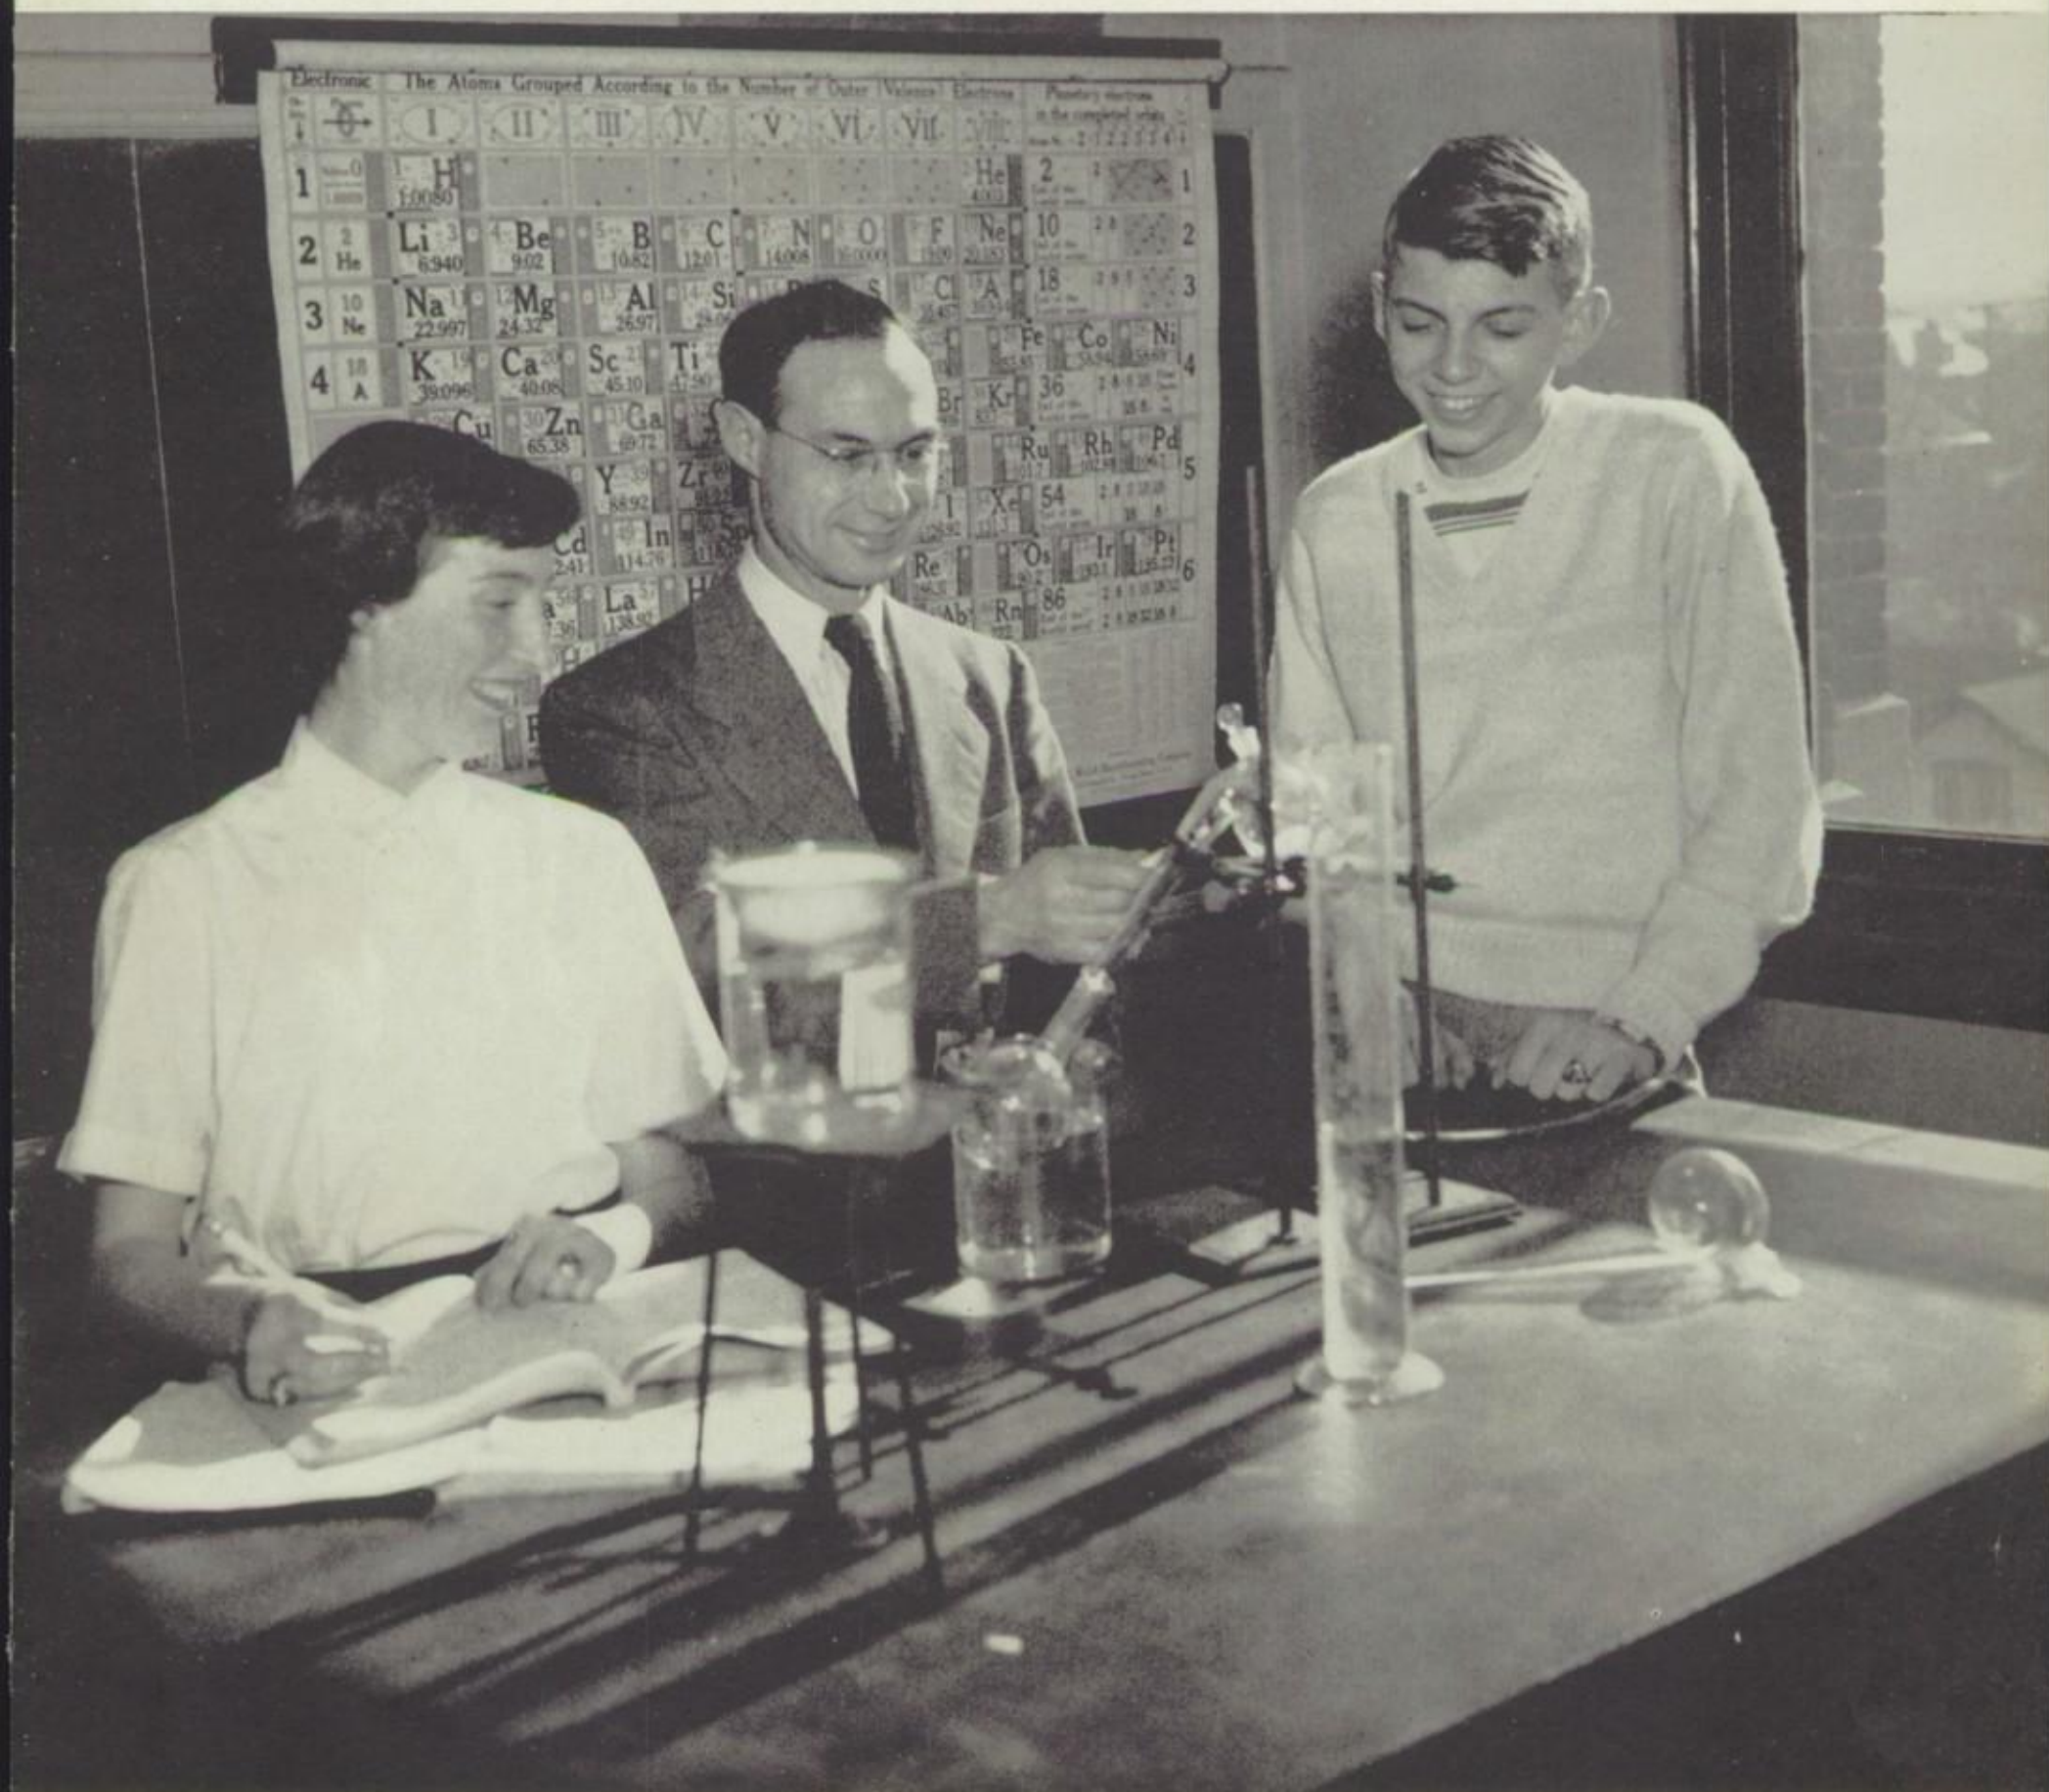

ENCOMPASSING MANY FIELDS . . .

This is where we learn living. Our teachers help us to absorb the fundamental facts—they train us to remember these facts for the future. The quantity and quality of what we learn here will do much toward shaping our destiny. The foundation of our education was erected in the primary grades; in high school we add the walls. Yes, the things we learn during our three years at Hamilton High will help us to adjust to this changing world.

Miss Gilroy lends a helping hand.

Thanks to our fine staff of math and science teachers, most Hamilton High School pupils receive an adequate conception of the role of science in modern life. We learn that scientific energy and knowledge can be used not only for destruction, but for the betterment of mankind in modern living.

Here Phyllis Cory models a lovely outfit.

OF PRACTICAL KNOWLEDGE . . .

Although books contain much knowledge, practical experience is also needed to live a happy useful life. One must have the polish that comes with this experience in order to develop into a mature person. Here we are taught to sew, to cook, and to prepare for future activities. Knowledge without practice is incomplete. This training equips us to be better citizens.

We influence another generation.

"A stitch in time saves nine," so goes the old proverb well-known to many girls, students who ply the needle in the sewing classes. A beautiful and practical skill, sewing not only enables a girl to stretch her budget dollar but gives her great range in which to express her tastes in dress.

HAPPY TRADITION . . .

Tradition is our heritage. It represents the ideals our forefathers believed in, and it is free. It is made up of standards of those who came before us, and we must strive for its preservation for those who follow us. Tradition is pride and we can be proud of only the best. We must pass along the best in character, school spirit, understanding, education, co-operation, and sportsmanship. We know the traditions of Hamilton High School have always been the finest and those traditions must live on. Tradition is the tears in our eyes when we hear the Alma Mater and the lump in our throat when our country's flag is raised. Tradition is a package made up of bon-fires, pep rallies, cold football nights, and voices bouncing off a gym wall. The tradition at Hamilton High is constant even in this changing world.

Homecoming — — — the winning float.

Hail to our lovely Homecoming queen and her court.

The dramatics group tells us a beautiful Christmas story.

AND CONSTANT VALUES . . .

The most precious things in life are free. Health, character, self-respect, reputation, happiness, love, and faith are all valuable to a happy life. They constitute a well-rounded person, a person who will long be remembered by his fellow men. These values have remained unchanged since the beginning of time. They will never change, as fashions are apt to do. High morals have always been respected in a person. Thus has education always occupied a high step on the ladder which leads to success. An educated person is one who has been elevated from the darkness of ignorance to the light of knowledge. We must learn that the valuable things in life are constant—they never change . . .

These are Hamilton High's "Best Citizens"—Nancy Ullrey, Regan Henry, and Fred Weiman.

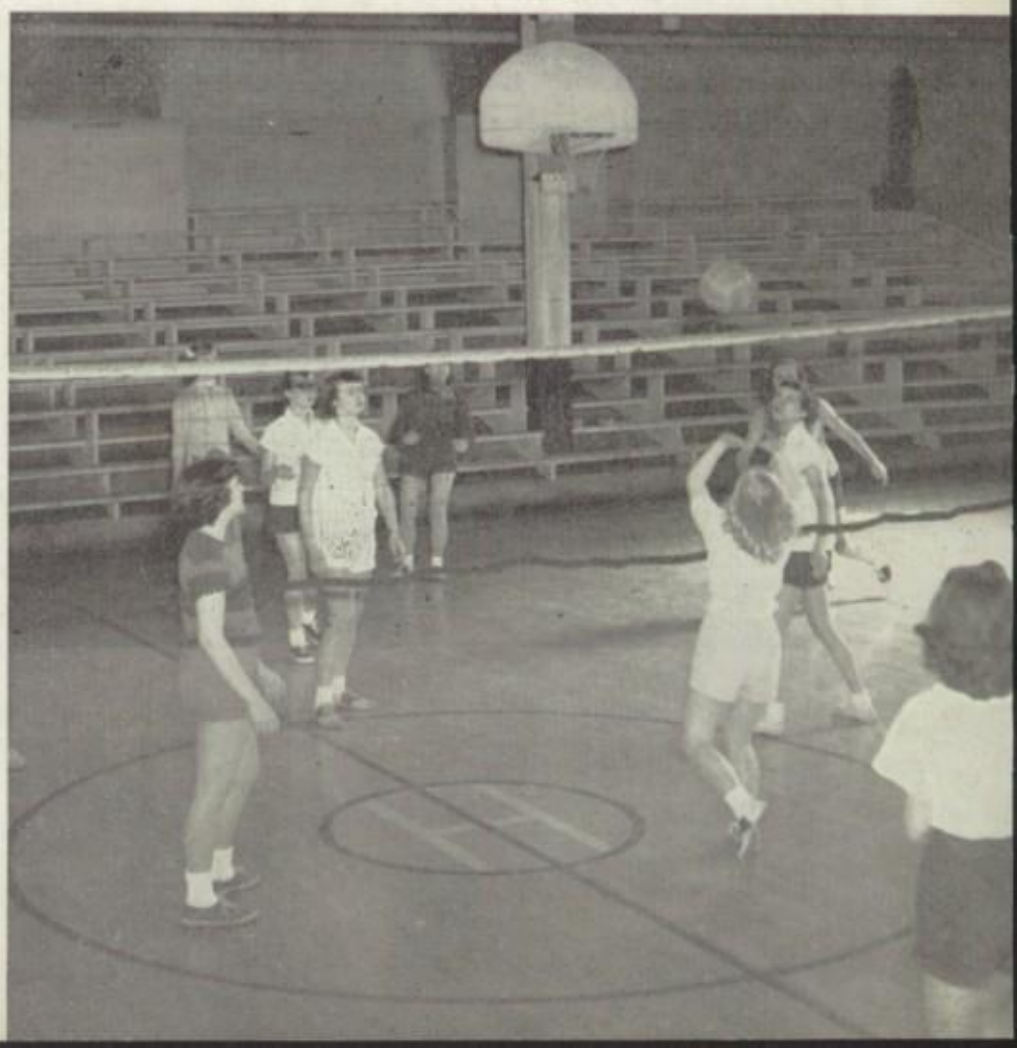

HERE THE GAME OF LIVING . . .

We must strive . .

It matters not whether we win or lose, but how we play the game. The game of life is not a joke, but a very serious undertaking. We must prepare ourselves to make our way and equip ourselves with the best we can. We must work toward ideals and carry them through and learn not to give up, but to keep on. We must learn the rules of the game, and play accordingly. We must strive to build high ideals; we must constantly work to improve ourselves. We must develop many characteristic traits: integrity, perseverance, sense of proportion, awareness, temperance, and faith. Our life is a series of plays as in almost any game, and we must excel in most of them or be the loser. Our aims must be high—our determination great. A high score is rewarding—and our fate will be great, but the game of living must be shared by all; then the profits will be large and the losses small.

to learn the rules
of the games.

Our aims must be high—our determination great.

Trial, time, and talent are the ingredients of our musicals; the result is good entertainment.

CONSTANTLY DEVELOPS . . .

The many activities that go on in high school are the end results of behind the scene planning and rehearsing. Each life in order to be useful and happy should follow some kind of plans also. Here we learn the value of foresight and preparation, though it may vary from time to time. Therefore, if each of us prepares and does his best we can make our world a better place in which to live.

The senior dances take long hours of work.

. . . YOUR UNDERSTANDING . . .

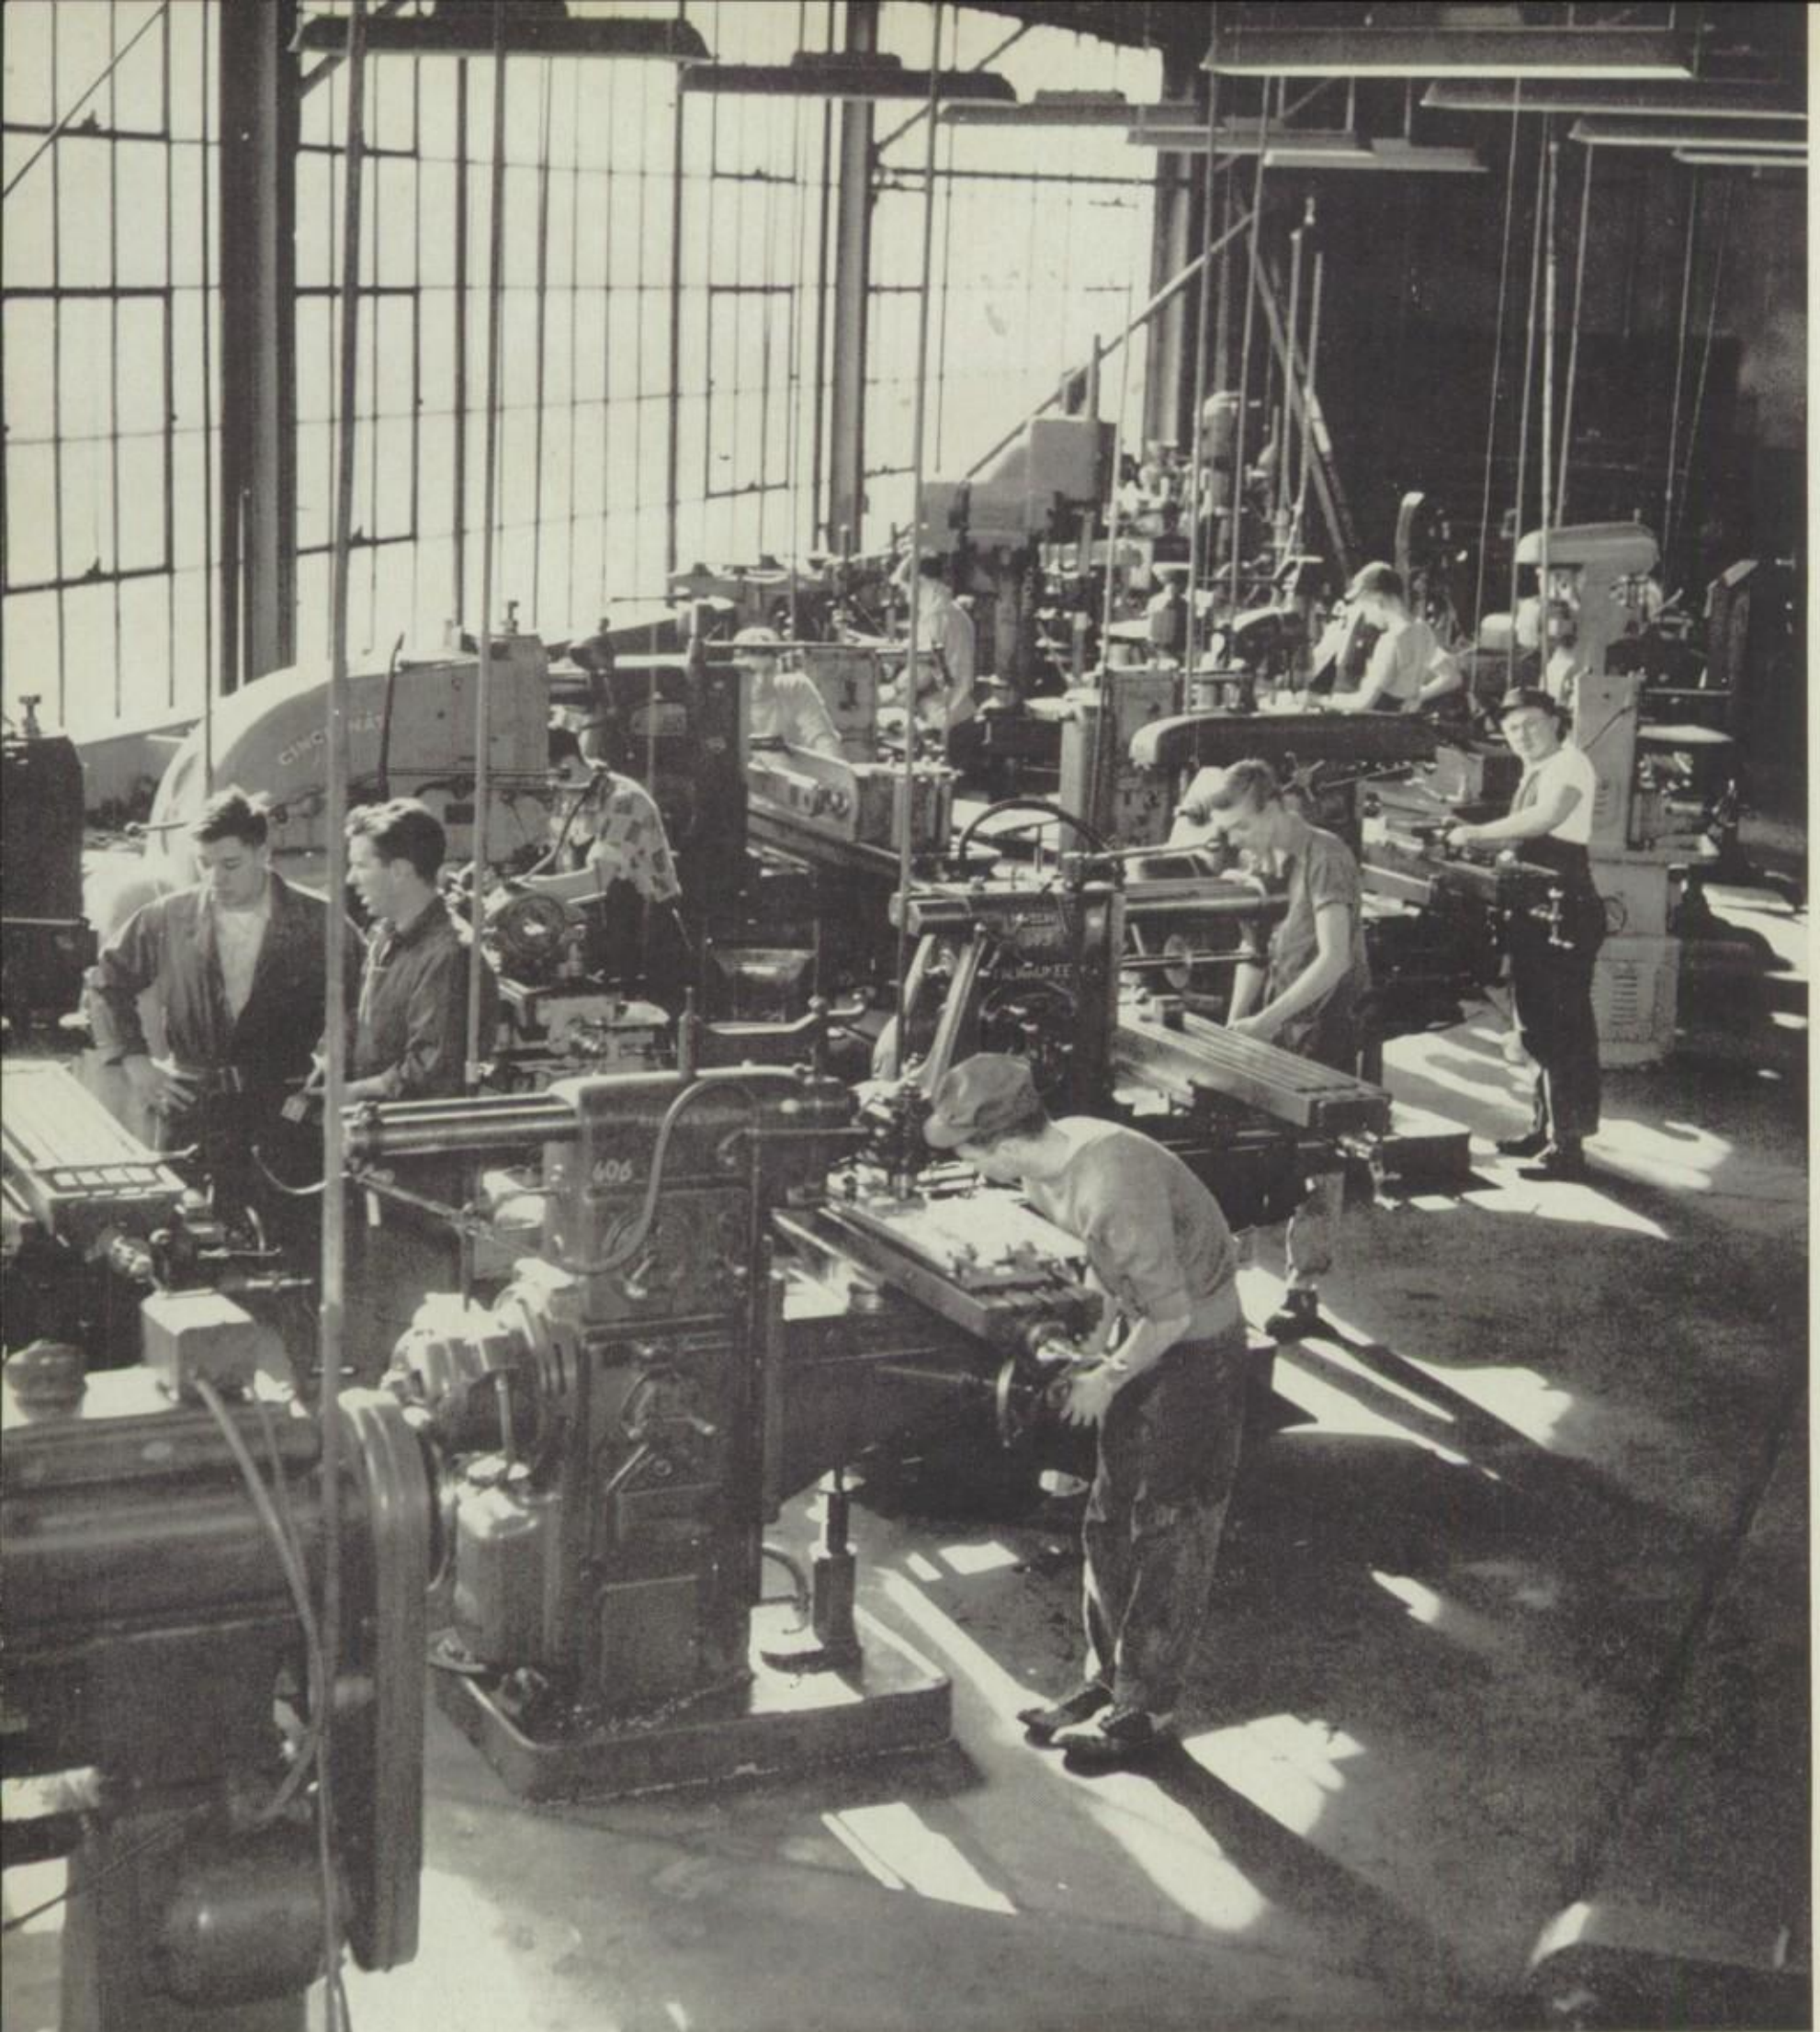

It is useful to everyone to know first aid.

Biology, the science of life, opens the door to many secrets.

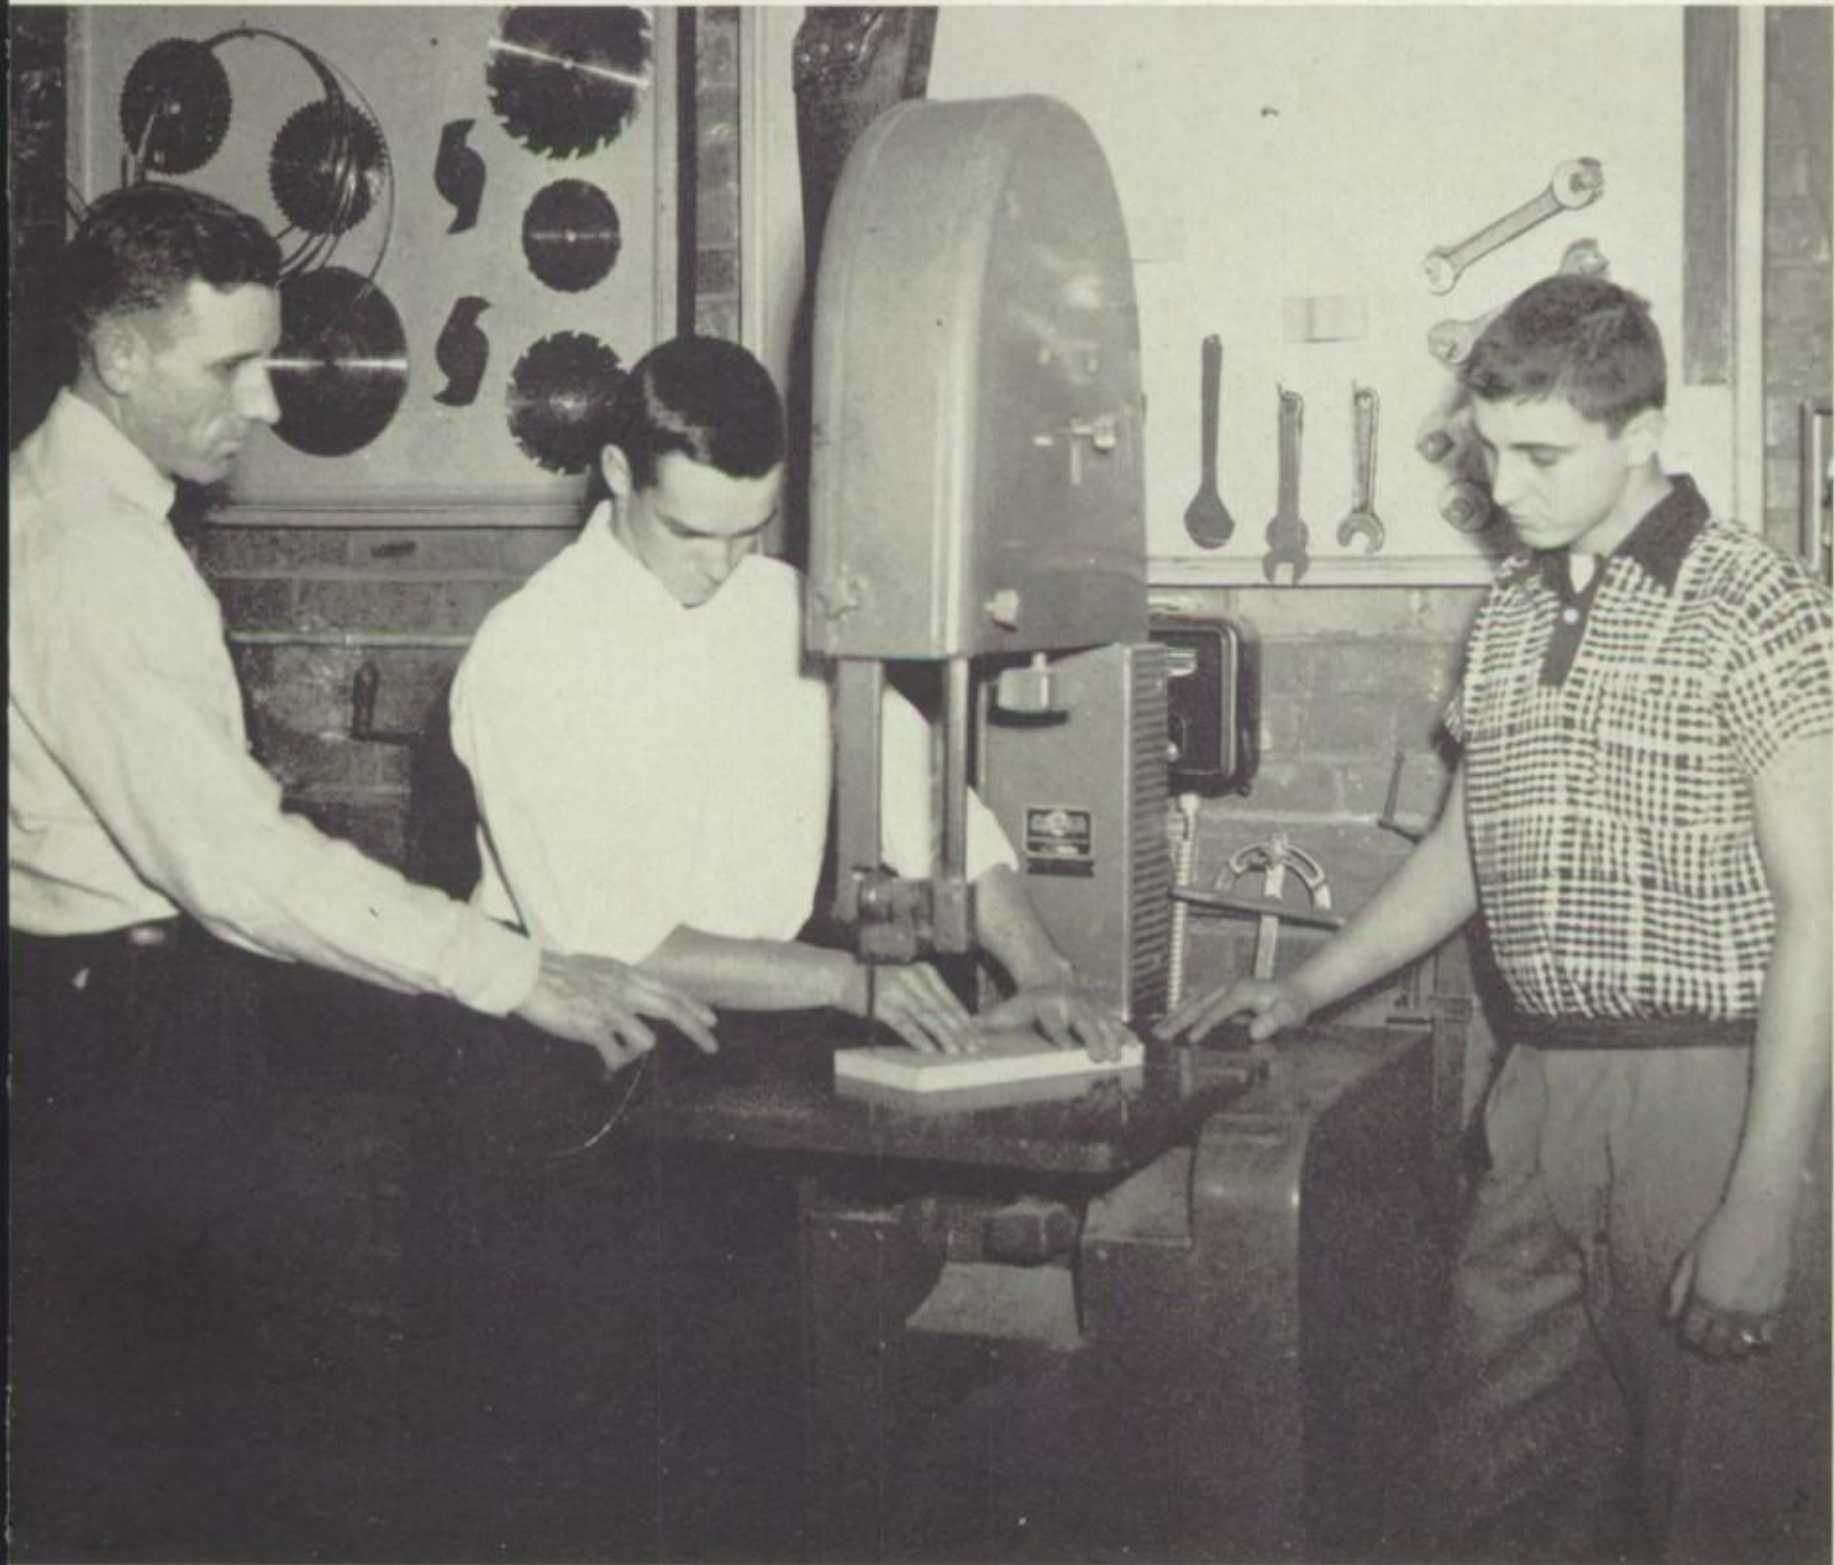

Remember how bewildered and perplexed we were as we began our high school career—how few things we truly understood? Our three years spent at Hamilton High have increased these few things to many. As graduates, on the brink of adult life, we are prepared to face life's future problems because of the many understandings we were taught in our school years. We understand our school subjects, the facts which were patiently drilled into our heads. Perhaps more important, we understand the formula for making and keeping friends; we know how to work with other people for a common goal; we understand our role in the future of our community, country, and world, and we understand the relationships of the sexes toward each other. Yes, we truly understand what it means to be a citizen in this changing world.

Our high school machinists learn to master the machine.

. . . OF YOUR POTENTIALITIES . . .

We try to maintain high standards of craftsmanship.

When we enter the ever changing economic world after high school, we must have a place in society. The more useful this place the richer our life will be. The varied skills which we develop here will open to us a variety of vocational positions. We of Hamilton High have been proud of the success with which the generations before us have filled these positions. The evident reason for this is the chance they were given and the extent to which they developed their potentialities.

. . . AND YOUR INNER SELF . . .

Our inner selves are what make us different from our fellow students. It is the combination of the distinctive qualities that makes us the people we are. Only we truly know our inner selves, our desires, beliefs, ambitions, and passions. The only way we give others a glimpse of our inner self is through the mirror of self expression. Hamilton High offers us many different possibilities of expressing ourselves. There are organizations open to all students, extra curricular activities which offer students enjoyment and experience valuable for the future. It is both damaging to ourselves and our own changing world when we hide our true inner selves.

Recreational leadership whirls around in high spirits.

Music, since the dawn of time, has been a most satisfactory outlet for mans' emotions.

We at Hamilton High School have a faculty of which we can be proud.

In the three years we spend at this institution of learning, they teach us mathematics, the sciences, languages, and the arts. What is more important, however, is that they try to impress upon us the fundamental truths and trials of life, the qualities necessary for a good life, and the development of our minds and bodies.

Our faculty is composed of many adults, each different, and yet each working toward a common goal—educating tomorrow's citizens.

They are never too busy to give students of Hamilton High counsel on any subject, ranging from school problems to home difficulties.

We salute our teachers and hope that they will always have reason to be proud of us. For through their help, we hope to become better citizens in this changing world.

SENIOR CLASS

We, who are on the threshold of adult life, owe much to our three years at Hamilton High. Here in classes, in our contacts with teachers and other students, and in our extra-curricular activities, we made great strides in scholarship, leadership, and sportsmanship. We learned to adapt ourselves to our surroundings, to do our best every day, to prepare ourselves for the coming years. We leave Hamilton High with open minds and hearts, and hope that we become worthy of being alumni of such a great school.

JUNIORS KEEP PACE WITH THEIR WORLD

We, the junior class, while looking up to the seniors and watching the little sophomores become acquainted with the high school, are known as the "happy medium." The junior dance and the prom are two of the big festivities planned by our capable class officers and supervised by our worthy advisors. We are granted many more privileges this year and find the waiting pleasant until next year when we become the all-important seniors.

Sophomores spark to life at 8:15.

SOPHOMORES FIND A NEW WORLD

Our sophomore year, after the first hectic weeks, is one which will be long remembered for its diversity of classes, activities, and achievements.

This year for the first time, an orientation program was held to acquaint us new students with the functions of "ye olde school."

We sophomores, under the leadership of Russell Moore, class president, sponsored both a class party and class dance.

During our first year at H.H.S., we participated in practically every school activity. We look forward to being the class of 1954.

At last! School is dismissed for three months of summer fun or summer work. Next year, there will be different faces in the halls and lunch rooms, different books to carry, and new styles and fads; but through the years Hamilton High will stay the same in spirit, ideals, and in our memories. THIS IS OUR CHANT IN A CHANGING WORLD.

The sugar coating of our school work is the many activities open to all students—activities which teach us how to co-operate, how to work together for a common goal. These activities include literary publications, language clubs, governing organizations, special interest groups, and honorary affiliations. Not only do they provide many hours of enjoyment, but our extra-curricular activities also play a very important part in molding the personalities of the students; for these busy students of today will be the leaders of tomorrow—the leaders of our changing world.

. . . ACTIVITIES . . .

Tom Coyle and his "Jazz Band."

Student Council, the student governing body of H.H.S., is composed of one representative from every registration room plus twelve captains and three majors. They meet together at least once a month with Mr. Koger, their advisor, and regulate many of the functions of our school.

Among the many Student Council projects are: Sponsoring Homecoming, issuing club charters, selling activity tickets, taking year book collections, selling and distributing student pictures, sponsoring the annual "White Gift Assembly", and formulating ethics through the Ethics Council.

Student Council does much towards making our school as great as it is. This year the leaders are: President, Neil Smith; Vice President, Ron Linder; Secretary-Treasurer, Nancy Petricoff; Major, June Hopkins; Major, Ron Linder; Major, Ralph Bragg.

SENIOR SENATE

Composed of the senior officers and one representative from each senior registration room, this active organization is the governing body of the senior class.

This group meets every other Tuesday and carries out such projects as preparing a ballot for class officers, collecting class dues, and measuring students for caps and gowns. They also discuss problems which have come before the class.

Nomination for the junior class officers are also made and screened by these capable members, who meet with their class advisors Mr. Lemon, Miss Dadowsky, Miss Johnson, Mr. Dragset and Mr. Metcalfe.

There are three individual clubs, plus a cabinet which consists of club officers, executive officers, and chairmen of special committees.

Meetings are held every Wednesday at the Y.W.C.A. An evening meeting is the feature of the fourth Wednesday meeting.

Some of the activities sponsored by this active organization are: Open House, Maggie and Jiggs Dance, Christmas formal, Longview project, Easter assembly at School, and the annual conference.

BOYS' Hi-Y

For many years Boys' Hi-Y, under sponsorship of the Y.M.C.A., has been supervised by Mr. Gordon Pickens. Under his superb leadership this organization has prospered greatly and everyone will miss him when he leaves to take a new position.

Boys, as well as girls, will long remember the wonderful parties at Hillcrest and at Camp Gard that have been given by Boys' Hi-Y. From the work of these clubs the New Year was brought in with hilarity at annual New Year's Eve Ball.

At Christmas time they turn to more serious thoughts as they deliver food to needy families of Hamilton. The monthly Hi-Y breakfasts are sponsored by the Boys' as well as Girls' Hi-Y.

May they always be as active as they are right now.

A banquet and formal initiation of new members is held each spring. A basket for a needy family was provided by the members at Christmas, a pot-luck was held in the fall, and many services were rendered the school.

SAFETY COUNCIL

The Safety Council of the high school is a smaller version of the National Safety Council.

Through attractive hall posters, displays, assemblies, and fire drills they keep the idea of safe conduct always before the minds of our students. They take care of the green safety pennant which shows our school safety record.

REVIEW

Every sixth period finds this group at work in order that 1,000 activity ticket holders might receive the latest in school news, gossip, and sports.

This year's **Review** was headed by Ron Kraehenbuehl, front page, editor; Joyce Stirn, second page editor, Marilyn Kulback, third page editor, and Jim Blount, sport page editor. Faye Jackman was editor of the second page first semester.

The **Review** is a member of the National Scholastic Press Association.

Carol Croucher, Glenna Preston, Ida Mae Shearer, Barbara Stanifer, Ruth Miller, Sally Leihensieder, Virginia Settle, Mr. Ickes.

BUSINESS STAFF

A combination of perseverance, courage, poise, and tact makes an ideal member of the Business Staff. These students solicit the advertisements for the **Review** and **Our Chant**, collect the money, and distribute the final products to all advertisers. Mr. Paul Ickes serves as advisor to this group.

CHANT

The plans for **Our Chant** of 1952 were begun in the spring of 1951 and carried out through the summer months as well as the new school year. Each sixth period finds Room 102 buzzing with ideas, plans, and projects in order that **Our Chant** be a book which everyone can be proud of.

This year's Chant staff fervently hopes that you are pleased with this yearbook for it is truly a book of, by, and for the students. As the years roll by and school memories become dear, **Our Chant** will become a storehouse of pleasant recollections of three wonderful years spent at Hamilton High.

RED CROSS

The Junior Red Cross Council advised by Miss Foster, is an organization that does all it can to make someone else happier and more comfortable.

The first Tuesday of every month you can find them busy in room 310 working on such projects as making favors for the veterans in Dayton, or packing boxes for the needy children in Europe. Every year the National Red Cross of Hamilton sends a representative to Red Cross Camp to discuss plans for the coming year and improve upon methods of running the club.

Left to Right: Etta Mae Atyeo, Phil App, Robyn Schaub, Doris Miller.

DEAN'S COUNCIL

Nominated by their classmates, these seven senior girls meet with Miss Griesmer regularly to discuss problems of students, especially those pertaining to girls. These senior girls represent a cross-section of their class and thus are able to understand the problems of all their fellow classmates.

Left to Right: Phyllis Logsdon, Jane Moyers, Betty Swisshelm, Nancy Petricoff, Miss Griesmer, Phyllis Cory, Peggy Furginson, Frances Hill.

Left to Right: Peggy Furginson, Nancy Ullrey, Carolyn Carpenter, Nelson Benzing, Ralph Bragg, Russell Phillips, Jim Reid.

NATIONAL FORENSIC LEAGUE

The Hamilton Chapter of the National Forensic League was organized in 1939 to stimulate interest in all forms of public speaking and debate. Membership is obtained by earning twenty points or more while participating in various speech activities throughout the school. To become a member of the league the approval of the principal, the advisor, Mr. Robert Pfendler, and the members is also needed.

LIBRARY

The library is a pleasant place to read, browse or do research work; and those students who enjoy its many facilities often come in contact with the members of the library club.

To qualify for membership the student must be a student librarian. The members hold monthly meetings in their respective homes, at which time they give book reports and hold library discussions on the latest publications. Miss Ewing, school librarian, is the club advisor.

Left to Right: Ruth Boggs, Emmie Clark, Mary Sherlock, Edythe Smith. Seated: Miss Ewing.

Sitting, Left to Right: Virginia March, Evelyn Holland, Joan Eddy, Pat Baker. Standing: Mary Lou Turnbull, Jane Moyers.

FUTURE TEACHERS OF AMERICA

The object of the Future Teachers of America Club is to prepare students for the teaching jobs of tomorrow.

This active club keeps busy throughout the year working on scrapbooks, learning facts about their chosen profession, and assisting H.H.S. teachers.

Each year a field trip is taken to a nearby college and a day is spent observing an elementary teacher in a typical Hamilton classroom.

Left to Right: Jim McNally, Joy Motley, Lois McCollum, Robyn Schaub, Margaret Schurr.

ART CLUB

The Art Club is fast becoming highly recognized; it helps the other organizations with many of their projects.

One of the helpful jobs of this club is producing the scenery for the school plays in cooperation with the dramatics department. They are also responsible for the scenery of the spring musical.

During the holidays they are particularly busy since they work with the retail selling department on the displays for the holiday window in the lobby of the school and the decorating of the halls.

As a public project it is in charge of all art exhibits used in the school, and preparation of the work used for inter-school exhibits.

The club members were proud of the recognition brought to them by winning first prize among the student floats in the Homecoming Parade.

FRENCH CLUB

French Club is composed of all students of both French I and French II classes. Miss Mary Heck is the advisor.

The students participate in all the activities which further interest in this language and in France.

A display was exhibited for the showcase in the lobby and a float was made for Homecoming.

The study of this romance language affords many H.H.S. students proof that learning can be fun.

Left to Right: Nancy Petricoff, Betty Cupp, Barbara Copeland, Shirley Wright, Sandra Hutzleman, Mike Rose.

Left to Right: Christa Wendt, Tom Hanlon, Peggy Kappelman, Dudley Mecum, Evelyn Tobias, Bradley Flinchem.

GERMAN CLUB

The purpose of the German Club is to create a better understanding of German culture over and above that which is obtained in regular class sessions.

During the monthly meetings the students plan programs pertaining to the German way of life, singing German songs, and hearing interesting speakers on pertinent subjects. One of the important undertakings this year was an excellent display of articles native to Germany.

Mrs. Emma Bock, our advisor, supervises all club activities.

LATIN CLUB

The Latin Club helps to stimulate interest in the Latin language, in Roman history, and in mythology. Programs for the most part consist of plays, dramatic skits, reports, and Latin songs.

The club is run like the old government of Rome furthering the students' knowledge of Roman government, and helping them to understand the people whose language they are studying.

Left to Right: Alan Haid, Faye Jackman, Don Smith, Ron Robinson, Gene Lamb.

Left to Right: Ron Roberts, Tommy Noe, Jack Hoel, Sally Leihenseder, Janet Brinkdopke, George Jonson.

SPANISH CLUB

To arouse interest in the Spanish language and the countries that speak it, El Circulo Espanol was organized a number of years ago. Every two weeks the chapters hold their meetings during class periods. The programs, both entertaining and instructing, consist of reports, plays, stories, games, songs, and an occasional talk by someone who has lived or traveled in one of the Spanish speaking countries.

A Spanish council consisting of one member from each chapter meets once a month to discuss matters of general interest.

Once a year the entire club joins in celebrating Pan American Day with a banquet which features an outstanding speaker.

RETAIL SELLING

Have you seen the remodeled Retail Selling classroom and laboratory? It is one of the finest and most complete practical classrooms of this kind in Ohio. Pictured here is part of the laboratory equipment. This display outfit is known as the "Ellinger Unit."

Another addition to the retail selling facilities is a full size display window, complete with display lighting equipment. A feature of the window, which is the original design of the teacher-coordinator, John A. Hock, is the provision for adjustable walls which enables students to simulate display windows like those found in local stores of all types. About every ten days a new display of merchandise is arranged with all merchandise being supplied in turn by each of our co-operating merchants. A student co-op is appointed chairman and is assisted in planning and executing the display by three fellow co-ops.

PHOTOGRAPHY CLUB

The photography club here at Hamilton High can be seen in the halls during almost every important event. These students can be found at all important school functions taking pictures which will serve as pleasant memories for the future.

Their work is useful to dramatics, musical productions, the Review, and many other departments.

They spend long hours learning composition, cropping, development, and the technical facts useful to a good photographer.

Left to Right: Naomi Rommes, Don Sandlin, Frank Hobbs, June Getz.

Left to Right: Gene Howard, Mr. Valentine, Dave Bunn.

HI-C

The Hi-C club is one of the newest clubs in Hamilton High.

The club was founded for the purpose of helping to make the students of Hamilton High more conscious of the ethical and moral side of life.

The members of the Hi-C Club have heard many interesting speakers, held many discussions, and sponsored an assembly during its short existence here; and we are looking forward to many more years of its service at Hamilton High School.

Left to Right: Lois Depew, Harold Benge, Faye King, Geraldine Allen, Mr. Arnold, Mrs. Pierson.

DRIVERS' EDUCATION

Left to Right: Mr. Cummings, Barbara Gehring, Jack Robinson, Joyce Barnett, Tom Hendrix, Jane Rose, Doris Miller, Jean Harrison, Joanne Scruggs, Lorraine Scholz.

The objective of Drivers' Education is to give more students a chance to learn to drive and to insure better driving habits among the teen-agers.

Students take instructions for one semester from Mr. Herbert Cummings. There is a test given by a state Patrolman on traffic rules, and movies given on fatality and accident rates.

There are tests given to test the reaction of students. In the spring a test is given near the High School, comparing the stopping reaction between the students and the teachers.

AMERICAN HISTORY CLUB

Established in 1925, this club is one of the oldest and firmly established organizations of our school. Every student taking U. S. History is a member of the club and the council is composed of one representative from each U. S. History class.

This club sponsors many service projects which benefit many different groups of people. An outstanding project, carried on annually, involves the sending of huge boxes filled with presents for underprivileged children at Caney Creek.

A trip to Washington, D. C., during spring vacation is an activity which is both educational and entertaining to all members who participate.

Sitting: Connie Nantz, Doris Miller, Clara Patrick, Elaine Hunter, Floria Begley, Marilyn Huddelson. Standing: Dottie Tape, Neil Smith, Bill Neuman, Bob Ray, Earlston Giles, Gilbert Urick, Joyce Moore, Ruth Brown.

HOME ECONOMICS

Good homemakers are not made in a day. Our many home economic students, aware of this fact, are preparing themselves for their future roles in life. Under the direction of Miss Jean Isenmann, the girls learn the arts of cooking and baking and are taught the importance of a balanced diet. The girls are students today but will be the homemakers of tomorrow. The homemakers of our changing world.

Left to Right: Betty Cupp, Mary Ellen Sharp, Judy Morris, Barbara Wilson.

Front, Left to Right: Fred Boggess, John Chrisman, Neil Smith, Gale Giles. Back, Left to Right: Richard Hayes, Don Perky, Peggy Long, Eileen McNeeley.

DRAMATICS

Hamilton High's expanding dramatics program has really branched out in many directions this year. In addition to the regular full credit dramatics course, opportunities are offered students to participate in acting and producing plays, entering speech competition with dramatic or humorous readings, and entering one-act play competition.

"Footlighters" is the name of H.H.S.' newest club. Although several dramatic productions were presented last year, this is the first year that the dramatics club has been formally organized. Approximately forty members participate in the varied program as actors, stage crew, make-up artists, scene designers, lighting experts, and publicity "hounds."

The fall play, *Mother Is A Freshman*, was presented two nights to a very receptive audience; as was the spring play, *Mr. Barry's Etchings*. The club is particularly proud of its Christmas play, *Why The Chimes Rang*, which was given at the White Gift Assembly with the co-operation of the H.H.S. choir.

Marilyn Martin, Janna Schrenker, Ellen Lewis, Shirley Peters, Russel Phillips, Betty Westfall, Lois Owens, Nellie Guy.

MAJORETTES

Under the capable leadership of our head majorette, Shirley Peters, our snappy majorettes and drum major perform at most of our football games. Adding much spirit, they originate many routines to add to the excitement of the games.

BAND

Clad in their new blue and white uniforms, band made an equally striking appearance, both, at football games and at the two annual band concerts they presented.

A small part of the band, organized under the direction of Tom Coyle, added much to the enjoyment of the basketball games by playing "Dixieland Music."

Directed by Mr. Irvin Hamilton, this school organization is one of the biggest and most active of those in which Hamilton High School students participate.

This year's spring musical, "I Hear America Singing," was a continuation of last years. It featured current favorites from Broadway, folk music, and progressive jazz arrangements. The orchestra presents music for special assemblies and the graduation ceremonies.

Every year they give an exchange concert which helps to promote better understanding between Hamilton and Springfield.

CHORUS

This is an activity which offers any interested student a liberal background of musical education and many hours of personal enjoyment.

The musical, presented each year, is this organization's chief production. They also take part in the Christmas "White Gift Assembly," community and assembly programs, and state musical contests.

Building strong bodies and good sportsmanship are two chief aims of
Hamilton High School's sport program.

There is a sport open to every high school boy and girl who wishes to
take advantage of it. Although football and basketball are cur major sports;
tennis, volley ball, golf, track, baseball, and tumbling all play their
role in making our athletic department a powerful one.
While our teams are renowned throughout the state for their winning
ability, they also know how to take defeat graciously. They learn the
importance of the saying, "It matters not who wins the game
but how the game is played."

. . . SPORTS . . .

Here Don Nuxhall is receiving a Trophy, which he won as being voted the most valuable player in the greated Cincinnati area.

Mr. CHARLES THACKARA
Director of High School Athletics,
and head football coach.

Fielding a veteran squad of sixteen lettermen and twenty seniors, Hamilton High presented one of the best squads in the school's history.

Playing a representative schedule of schools from most of the cities of the four corners of the state, the Blue had a fine record of nine victories against one setback.

Most of the starters played on the 1950 team and compiled an enviable record of 18-2 for their two seasons play.

Coach Charles C. Thackara completed his fourth season at Hamilton in fine style. His record is now 32 wins and 7 losses. Coach Thackara was ably assisted by Byron Hollinger and Louis Florio. They coached ends and tackles, guards and centers respectively.

Quite a few records were set or broken by the squad. Among these was total season yardage of over 4000 yards. A game average of over 200 yards rushing and 200 yards passing was also another record. Bob Lakes completed 23 touchdown passes, and Don Nuxhall kicked the most points after touchdowns in one season. The total points compiled was also a record breaking total of 398.

To get an idea of the caliber of some of the teams Hamilton played, it is only necessary to look at their accomplishments—Cleveland Benedictine tied for city championship of Cleveland, Toledo Libbey was champ of their city, Columbus West was a leader in their city league.

A hard hitting, hard charging line is the trade mark of Coaches Hollinger and Florio. Downfield blocking and a high degree of exacting technique are also emphasized.

Again the opposition is stopped for a short gain as the Big Blue's defensive squad closed in.

Opening the season against an outclassed Cleveland Central eleven, the Blue crushed the Trojans 50-0. The game held little excitement, but it showed the scoring power of the team that was to be felt later.

The Big Blue traveled to Steubenville for their second encounter. The Crusaders of Central High proved very stubborn the first half, but succumbed to the greater strength of the Blue 53-0 in the second.

For the first time since 1947, Hamilton held Elder to less than twenty points. The Blue's victory was never in doubt as they downed the Panthers 34-6.

In the first real test of the season, Bib Blue met a good Cleveland Benedictine squad and overran them 55-26.

With almost a duplicate score H.H.S. steam-rolled a game Columbus West team 54-21. The Moms' and Dads' Night crowd was certainly not disappointed.

Penalties proved to be the Waterloo of the Big Blue, and a fired up Springfield upset Hamilton 8-7 at Springfield. A safety in the last three minutes provided the winner's margin. Statistically the Wildcats were outclassed in every department.

Mr. LOUIS FLORIO, Assistant Football Coach in charge of line with MR. BYRON HOLLINGER.

Hamilton bounced back the following week before a large Homecoming crowd to hand Portsmouth a drubbing of 68-0. This was the worst defeat ever suffered by a Trojan grid team.

Taking again to the road, the Big Blue met what was probably the best team of the season at Toledo. Playing Libbey on a cold snow-swept field, the Cow-boys jumped to a quick 13-0 lead. Fighting desperately, the Blue played their greatest football in the second half to come back and at the end of the game was on top in a 14-13 score.

Hamilton had little difficulty in adding another victory to its total at the expense of Dayton Dunbar. The Gem City squad fell before a 40-0 score. It was the first meeting in the history of the schools.

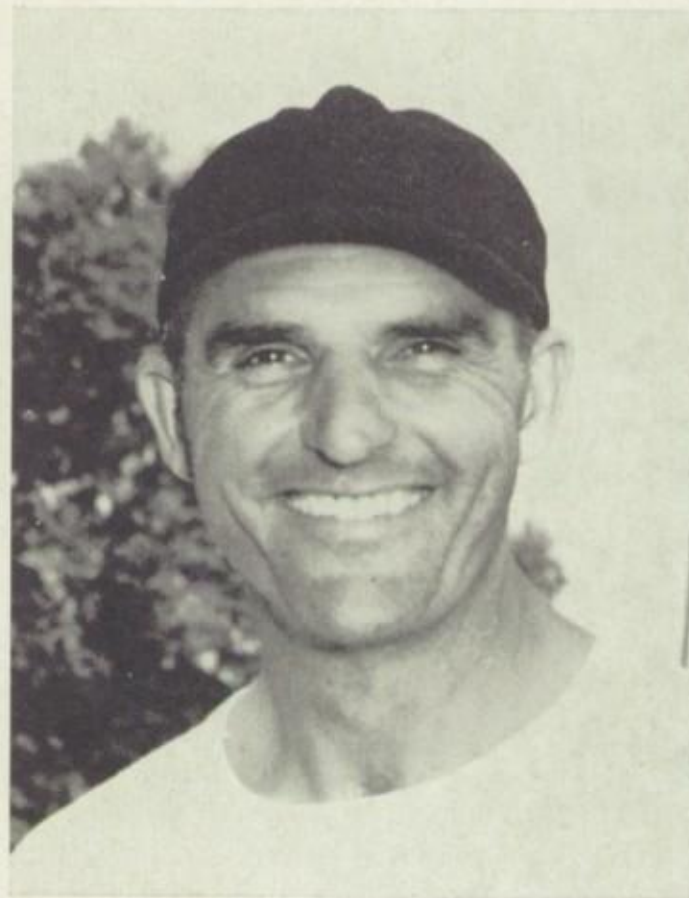

In the traditional "Butler Bowl" game with Middletown, Hamilton climaxed their season with a scund win over the Middies, 14-6. The game was the first Blue-Middie contest to be held at the new Barnitz Stadium at Middletown. Although the strong wind stopped the Big Blue's passing attack, the grund game proved too much for Middletown.

Big Blue advances for another gain against their determined opposition.

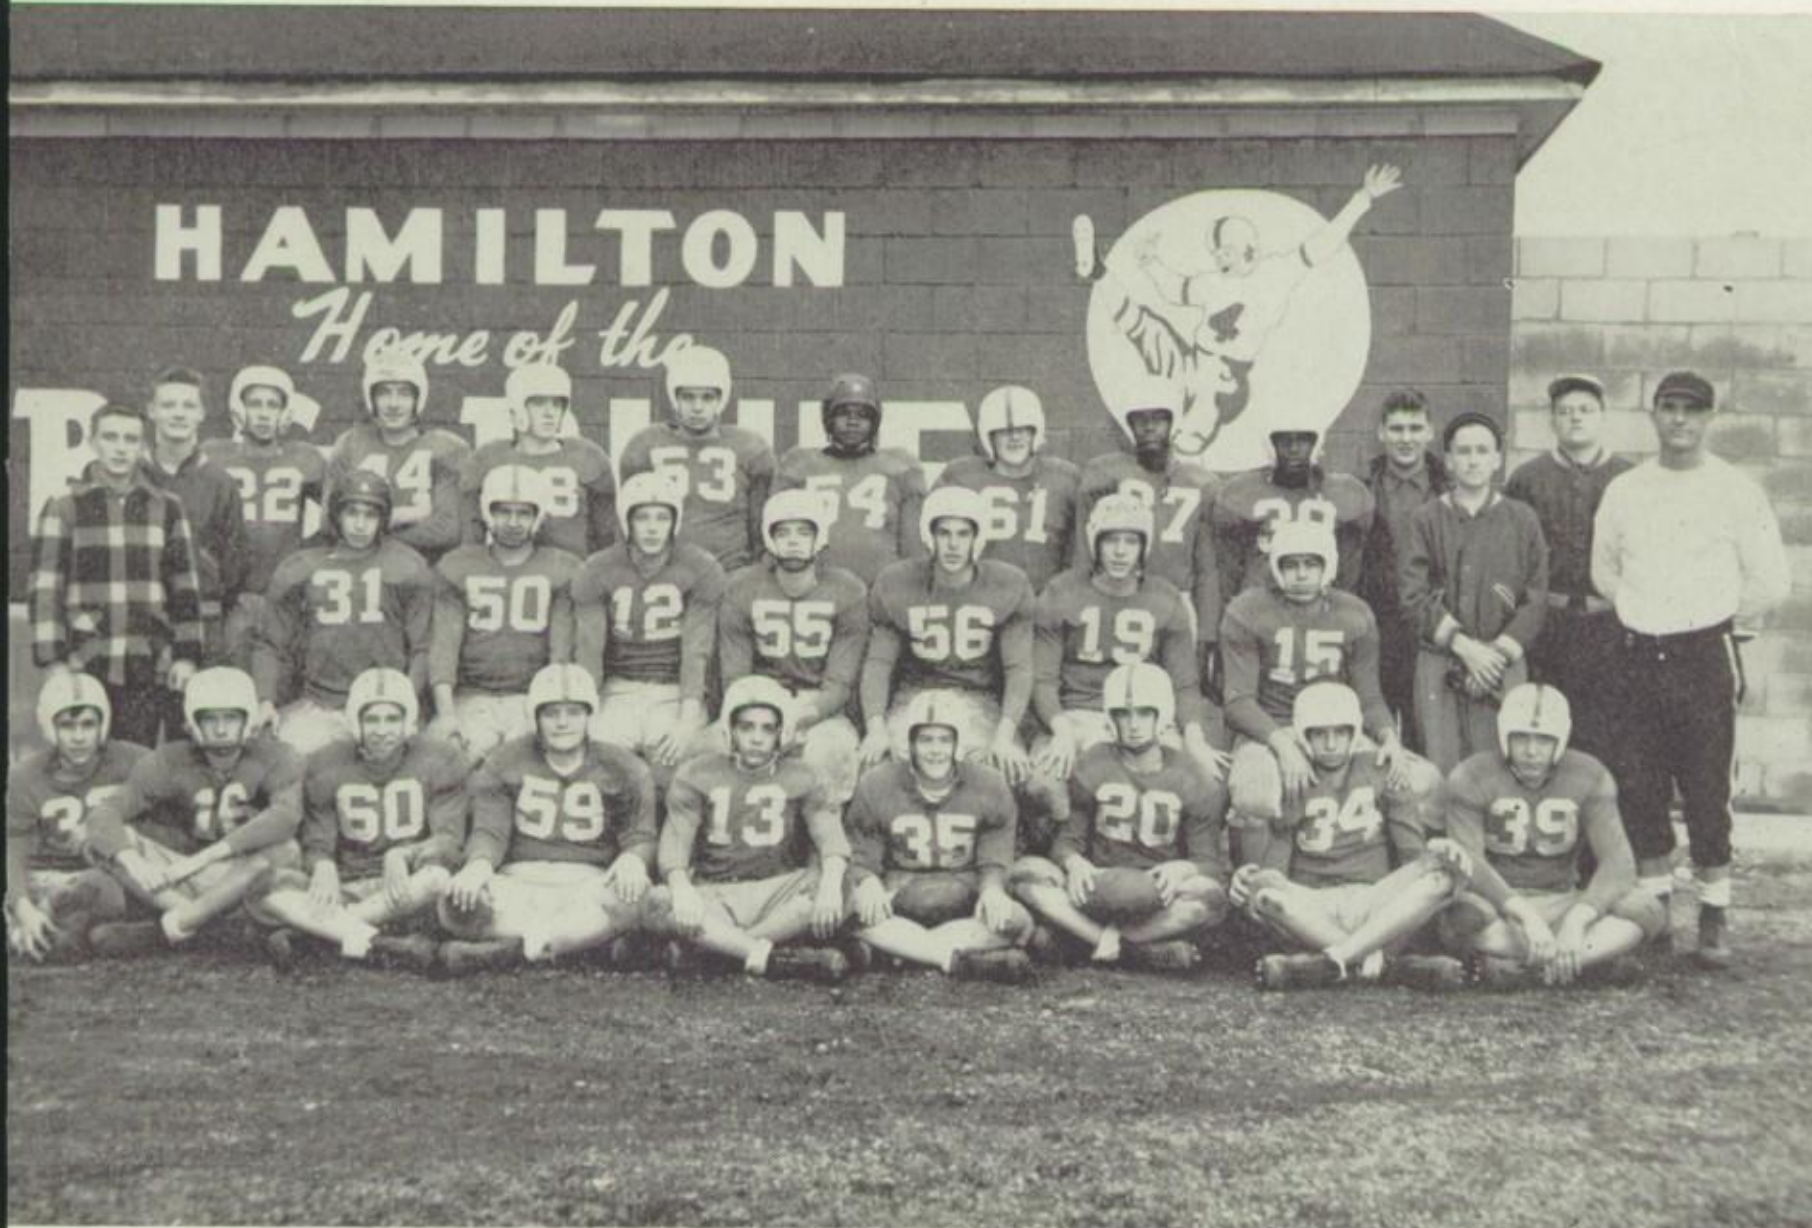

BABY BLUE FOOTBALL TEAM

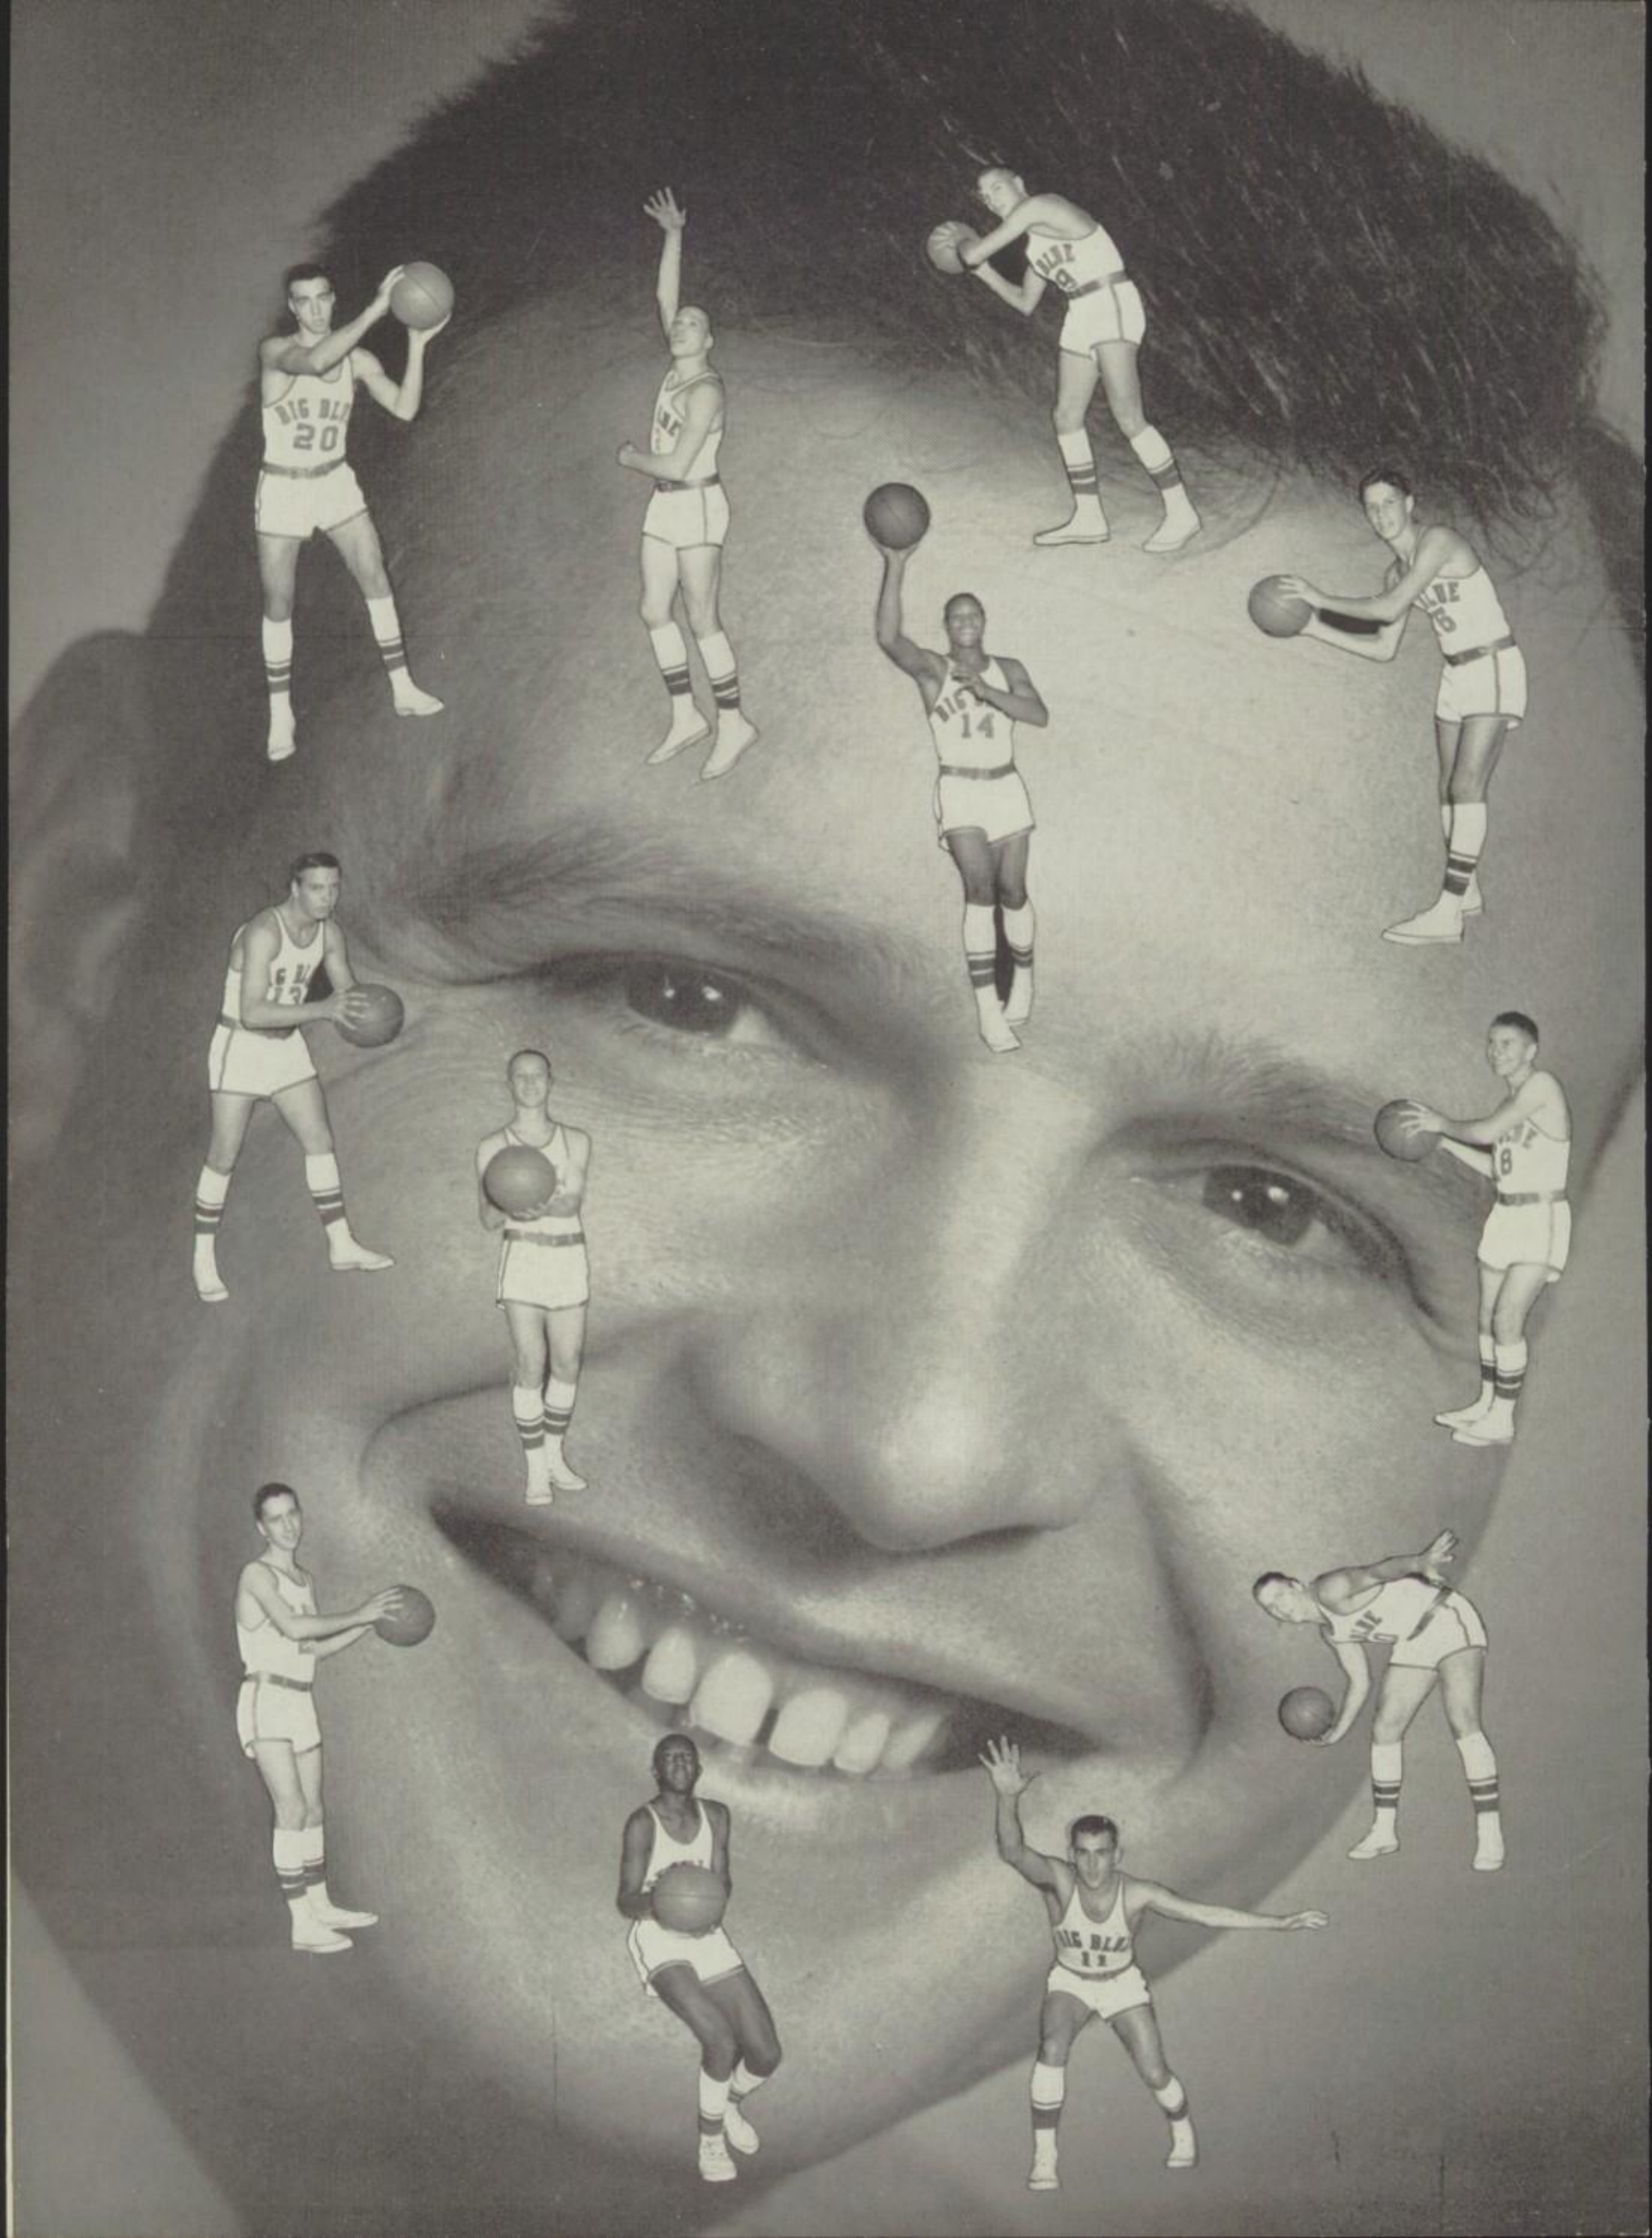

On Baby Blue, the prospective Big Blue players are taught fundamentals and are given a good foundation in basic football. The fact that Big Blue consistently has great teams is a fair indication of the fine job done by Coach Winston Metcalfe. This year's team had a good record and in their final game fought the Middie J. V.'s to a scoreless tie.

MR. WINSTON METCALFE, Baby Blue Coach.

Sitting: William Judd, Bob Short, Gary Schlenk, Jack Zeller, Ron Reed, John McCarty, William Scholz, Leroy Schiff, Bob Knox. Kneeling: Alvin Moebus, Ralph Pfirman, William Stitzel, Holden Smith, James Leihgeher, Henry Herzog, Jim Yeakle. Standing: Carl Keller, Nathan Fox, James Bailey, Bentley Hopper, Jim MacCracken, George Van Liew, William Sanford, Dan Hurst, Charles Adams, Willie Cathran, Ronald Couch, Vernon Feltner, David Gebhart, Coach Metcalfe.

Standing, Left to Right: Neil Roberts, Pete Roemer, Dick Heasley, Don Nuxhall, Phil Lillard, Bob Lakes, Bob Hesler, Coach Scholler. Kneeling: Mgr. Don Smith, Otto Swanner, Fred Weinman, Alex Ellis, Bill Powell, Gary Winkler, Trainer Norm Dingledine.

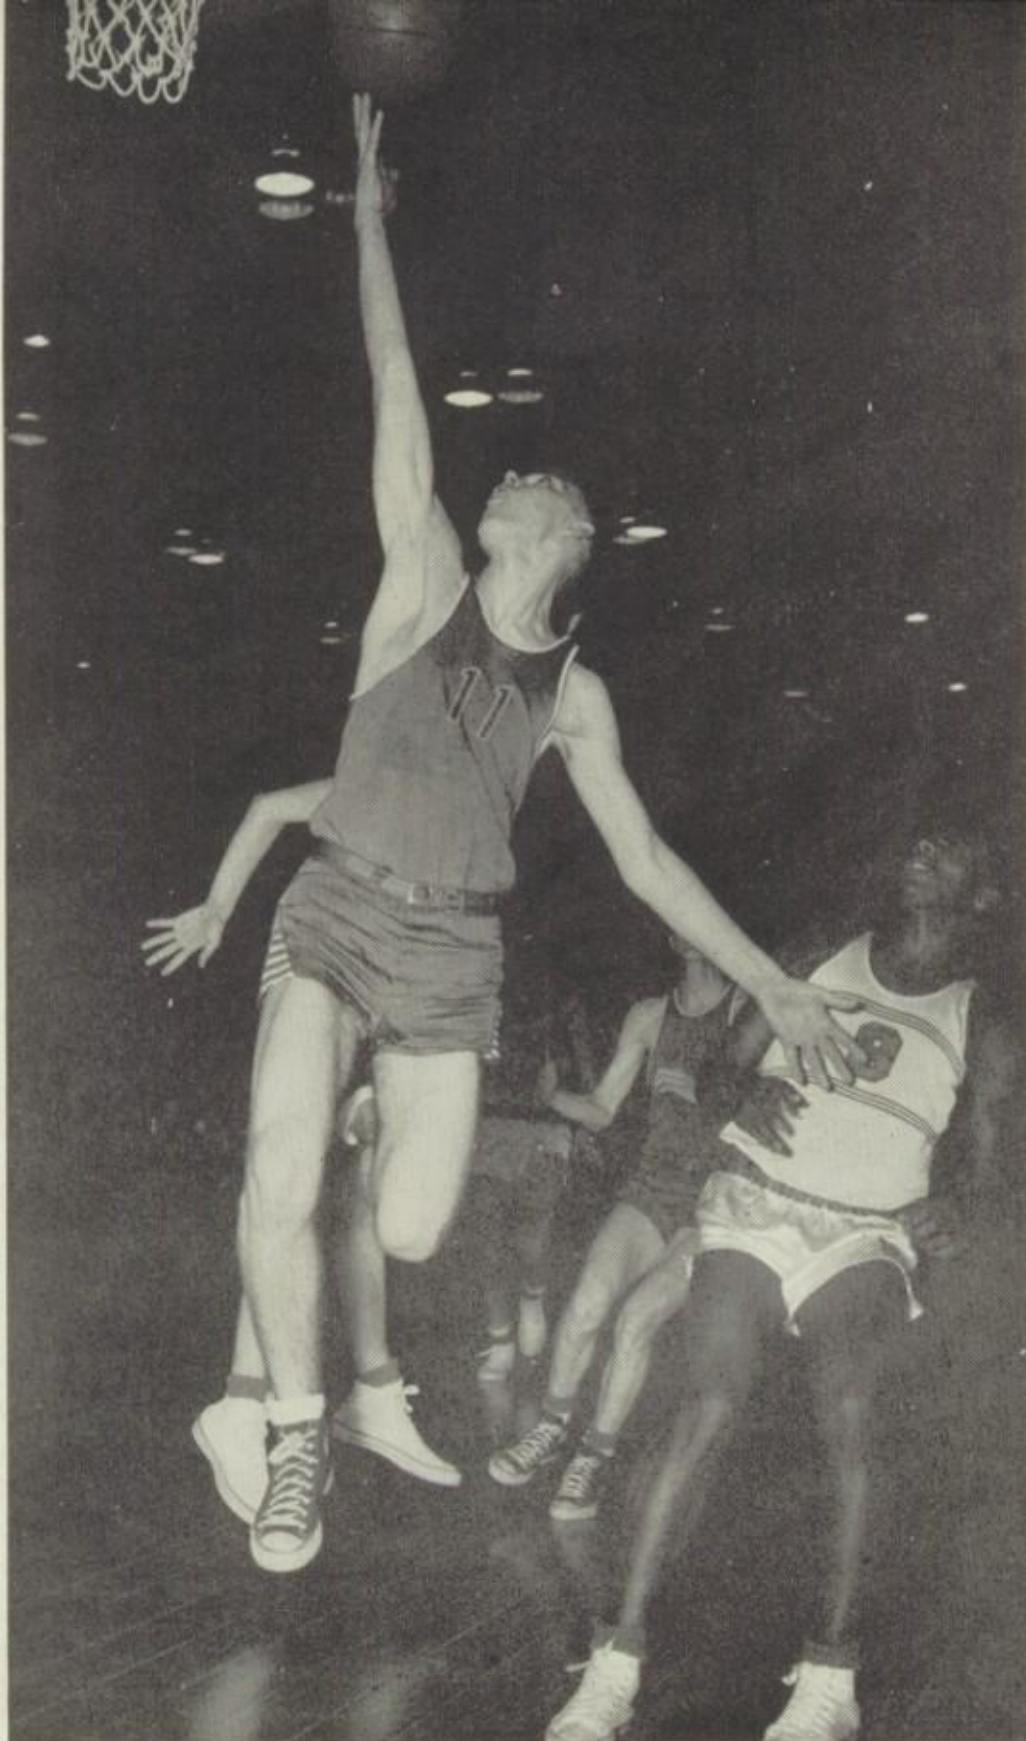

BIG BLUE BASKETBALL TEAM

First in the State! That proud title can be claimed by the Big Blue after completing one of its finest seasons. Voted number one by the Associated Press is a great honor and a more deserving squad never received it.

Coach Warren Scholler completed his fourth season at Hamilton this year. His total record is a remarkable 92 wins and only 9 losses.

This year's team was well seasoned and had five lettermen returning from the 1950 state finalist quintet.

The record compiled by Big Blue was excellent with 20 wins against 2 set-backs. Several records in scoring were broken. One of these was the 94 point total chalked up at the expense of Cincinnati Hughes. Also in this game Phil Lillard set a school scoring mark with 28 points.

BABY BLUE IN ACTION

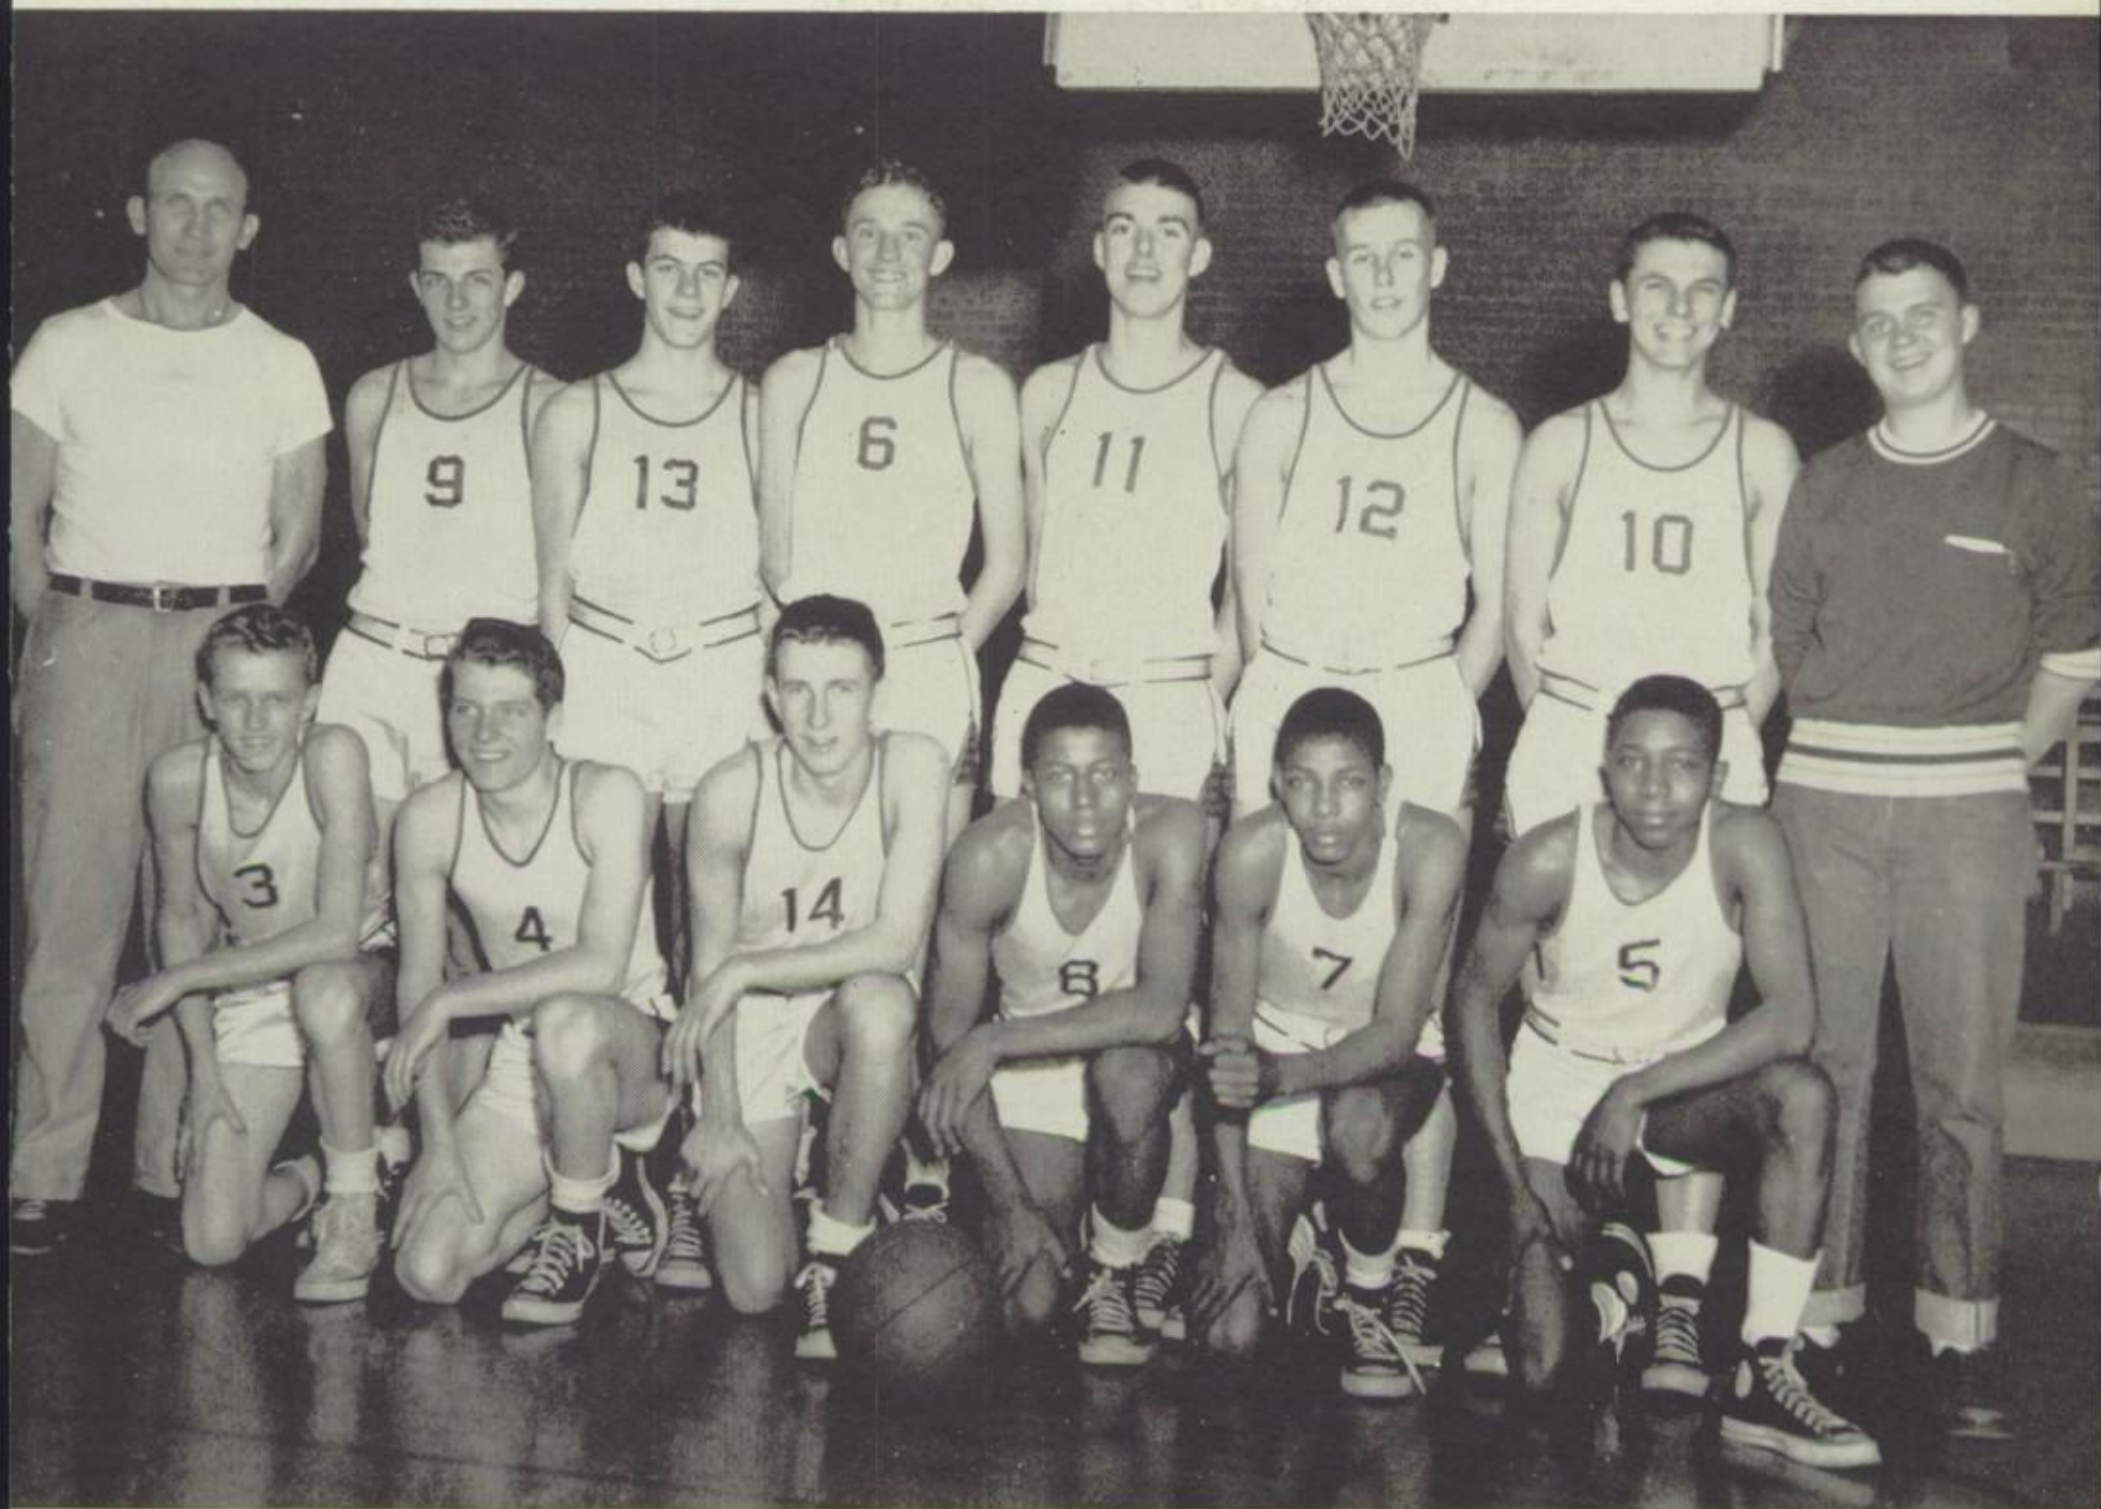

Baby Blue played great ball throughout the season, winning fifteen games. They dropped two games to our rival Middletown and one to Portsmouth. Coach Byron Hollinger's team proved their worth as they defeated the inspired Springfield quintet in one of their final games of the season.

The Baby Blue team gives each of our "future stars" the valuable experience they need and teaches them a high degree of sportsmanship.

Two for the Blue.

H.H.S.	53	Withrow	55

Hey! Hey! Take it away!

The Big Blue opened the season in fine style with quick victories over Dayton Dunbar, Miamisburg, and Franklin. In the first S. O. L. game Portsmouth was routed. After romping Hughes Hamilton won the Lion's Tournament by downing Withrow and Lockland Wayne. Two Lima squads were the next victims as South and Central were smothered. Following this, the Blue dropped Springfield and Norwood.

Meeting the arch rival Middie cage team at the Cincinnati Gardens, both teams had unbeaten records. It was the Middies' night and they walked away with the victory.

Bouncing back the Blue recovered with decisive victories over Purcell, Lancaster, Springfield, and Walnut Hills.

The Blue broke a seven year jinx by beating Portsmouth at the Grant Gym. Displaying a complete reversal of form over the first game, H.H.S. literally tore Middletown apart to avenge the earlier defeat. The crowd of 11,762 people who witnessed the game at the Gardens established an Ohio High School basketball attendance record. In all 20,947 people saw both games.

Will Dick make it?

BIG BLUE IN ACTION

In the final game of the regular season, the Blue romped over Elder. Starting down the tournament trail, the Blue had little difficulty in downing a scrapping Woodward combine. Hamilton Catholic was next on the list and the Rams, no match for the Big Blue, were defeated for the fifth time in as many meetings. The all too soon end came as a great blow to most. Visions of another state crown didn't seem an improbability. But Withrow smashed our hopes as they downed the Blue in a sudden death overtime. The Cincinnatians came from behind to tie the game twice, and went on to win. It was the first time Coach Scholler's team did not win the district championship.

Standing: Ernie Nelson, Gene Davidson, Ray Pendleton, Jim Warner, Dick Heasley, Jim McCue, Wally Einsfeld, Mark Scheffel, Coach Davis. Sitting: Louis Franklin, Mike Nicholson, Dale Foster, Otto Swanner, Gary Winkler, Larry Baker, Earl Alexander, Orville Nichols.

TRACK

Track, a popular spring sport, has existed at Hamilton High School longer than any other sport. Each year many boys participate in and enjoy this extra-curricular activity.

One reason for its popularity is that many boys can participate. Practice, not talent, is important.

The team, under the "watchful eye" of Coach Arthur Davis, has an impressive record. This is partly due to the new running track at Roosevelt Junior High and the long hours spent in practice there.

BASEBALL

Returning lettermen, good coaching and many new prospects help to make the 1952 baseball season for Bryon Hollinger's boys one of the best ever. This year as always the boys faced a torturous schedule with some of the finest triple trios to take the field. Their defensive play on the diamond was superb as a tight infield, and agile outfield supported one of the best batteries in the state overcame opponent after opponent. At the plate the boys showed their offensive power as they came through time after time. With a supporting bench of equal caliber they were never in doubt as to what the outcome might be.

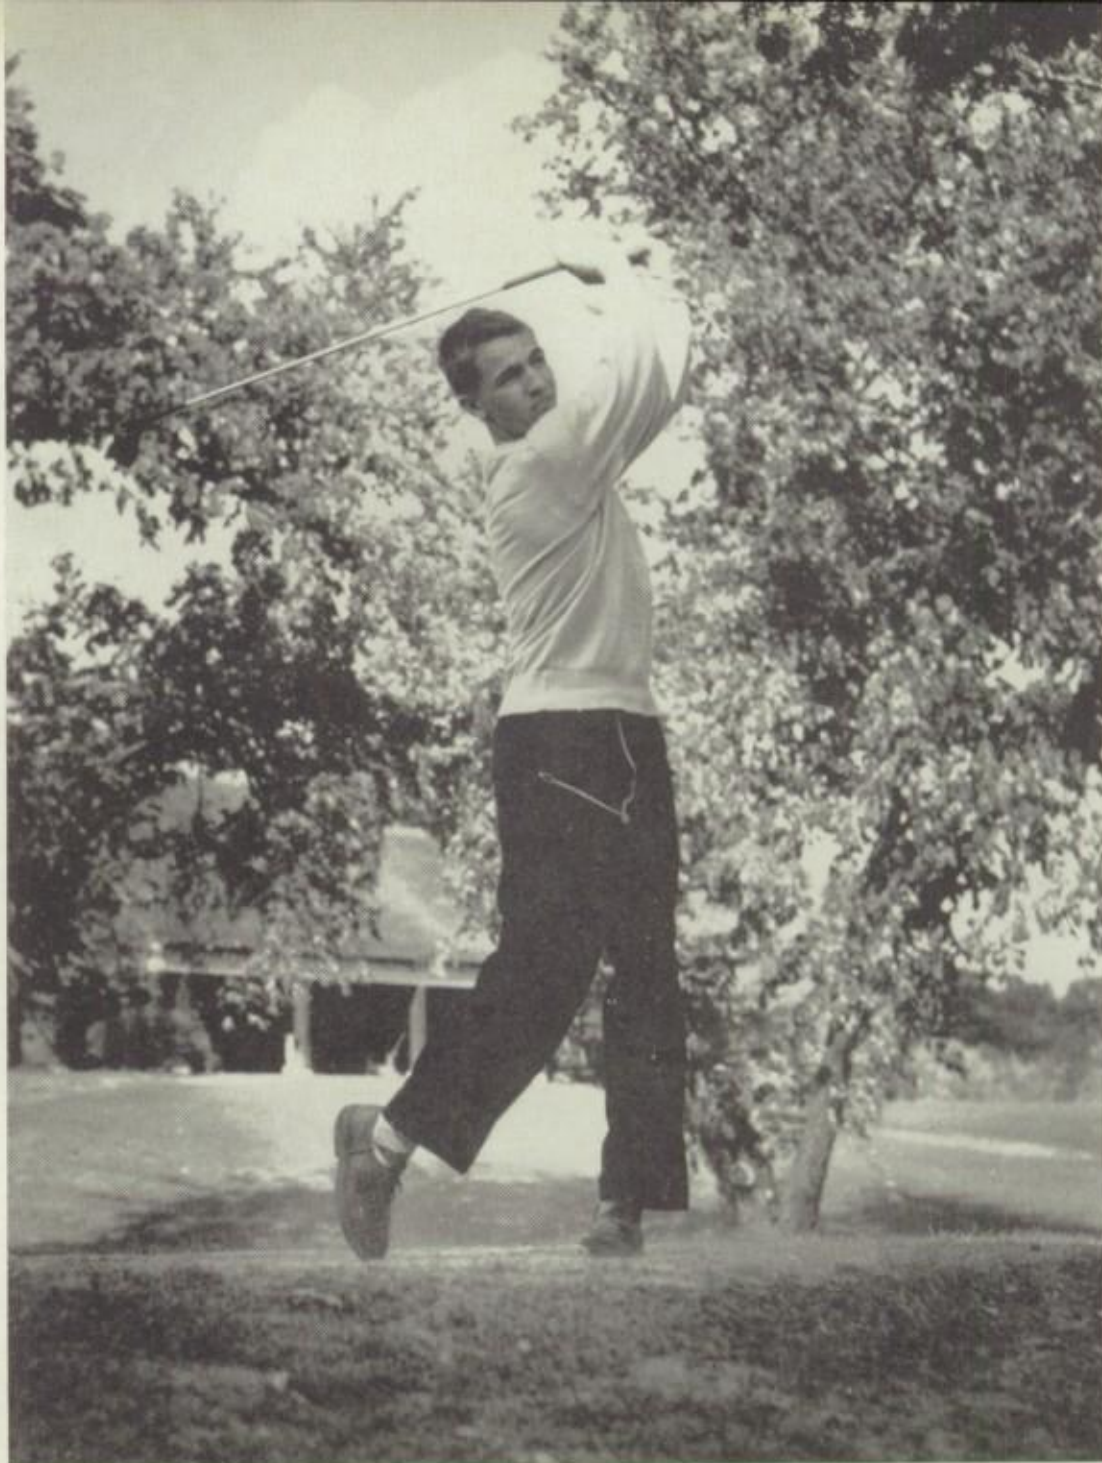

Standing: Walter Stewart, Jack Farmer, Martin Guldner, Jim Peck, Richard Guy, Ronald Grant, Dave Corbett, Dick Hammond, Alonzo Chatman, John Jones, Curtis Bradbury.
Sitting: Coach Hollinger, Neil Roberts, James Lambertson, Jim Lemert, Earl Gabbard, Don Harding, Ralph Burney, Don Nuxhall, Bill Jonson.

GOLF TEAM

Golf, although it is not considered a major sport at Hamilton High School, ranks high among the sporting laurels.

Coach Scholler's Big Blue linksmen have consistently "brought home the bacon" as they waded through a rugged schedule. They also show their determination and stamina in tournament play. These "Potter's Park Protoges" deserve much credit for fine play and sportsmanship.

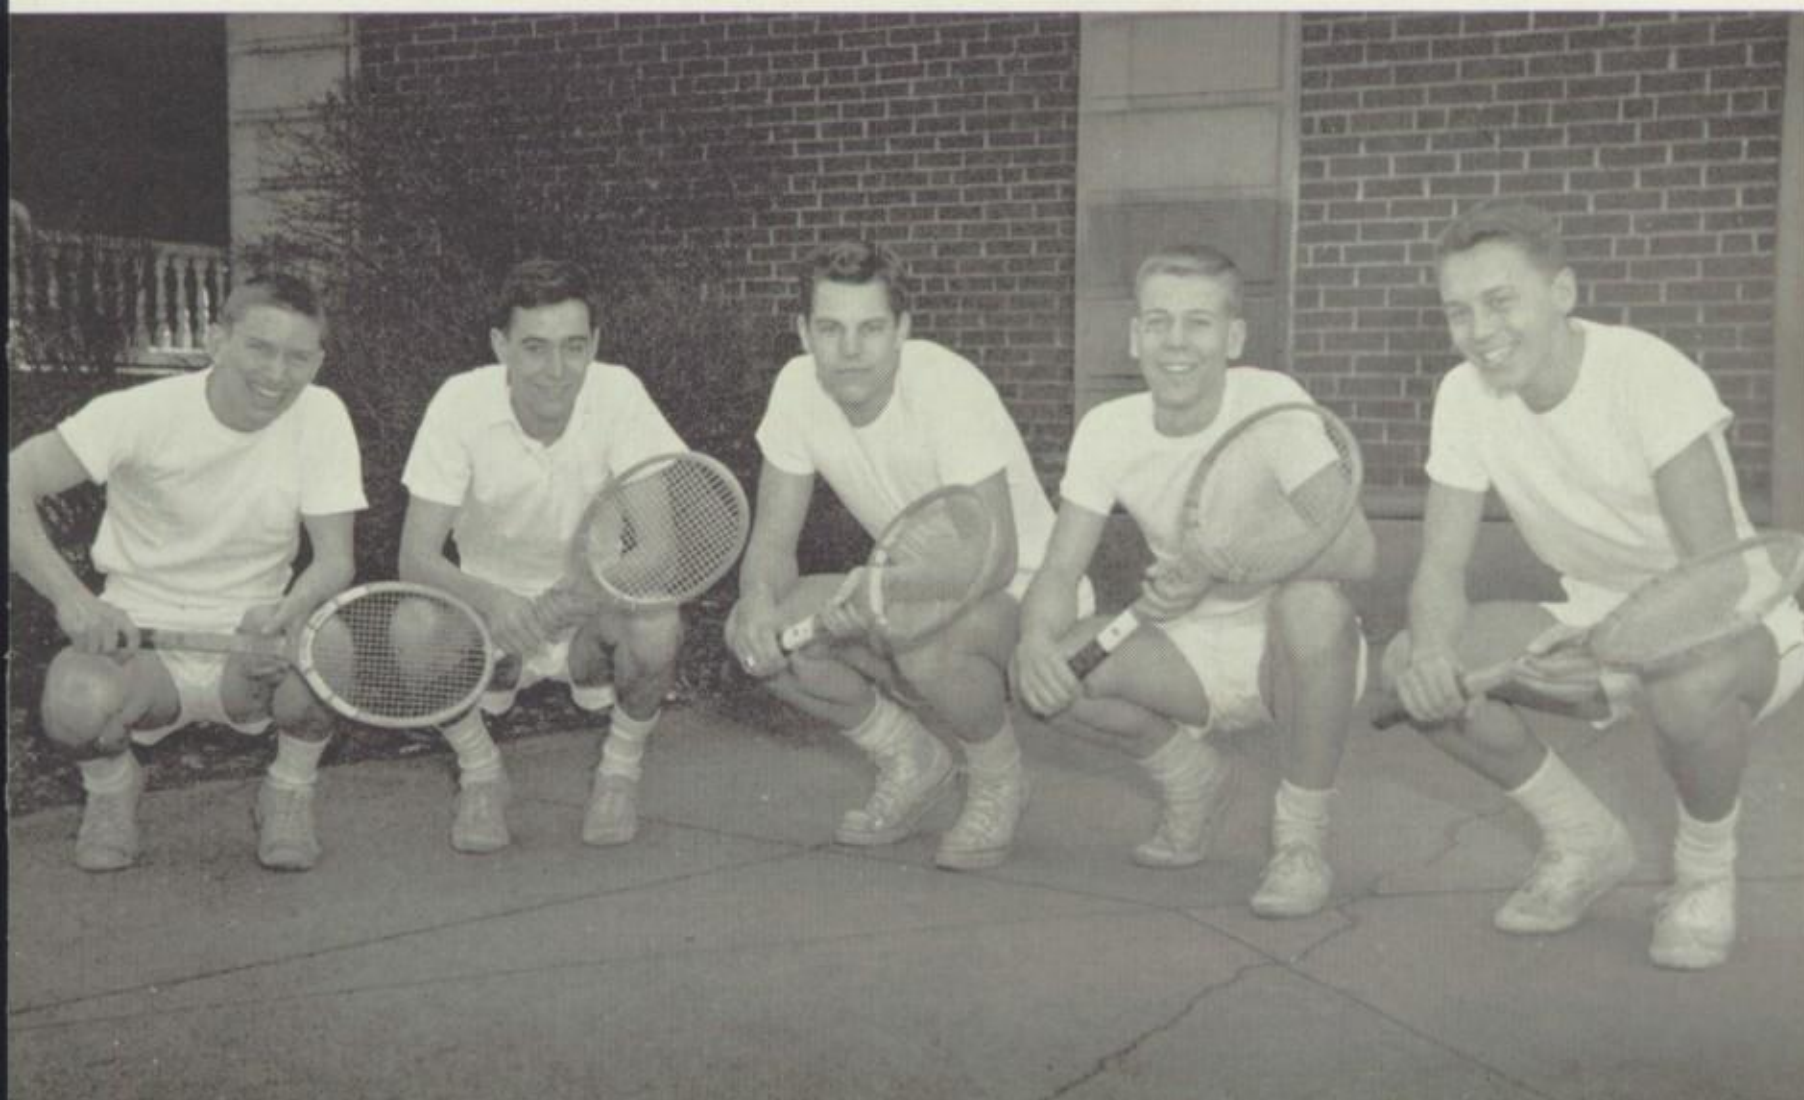

Kneeling: Ralph Smith, John Chambers, Charles Bryant, Marvin Flynn. Standing: Coach Scholler, Ralph McCowan, Howard Kuhn, Norman Combs, Ken Lenhoff.

TENNIS TEAM

Singles, Doubles, Love, Net, Serve, Slam, Volley—these are a few of the many phrases which constitute a "tennis vocabulary." Our team not only can "talk a good tennis game," they also play one. The game of tennis develops coordination, timing, and fast reactions. It has long been one of the most popular warm weather sports. Many students, as well as other people, enjoy this international sport.

Left to Right: Fred Weinman, Tom Kemp, Jim Donaldson, Bill Newman, Dudley Mecum.

TUMBLING TEAM

Eugene Colwell, Louis Conrad, Bill Davis, Jerry Farthing, Frank Gains, Bob Martin, Gerald "Toes" Martin, Pleas Martin, Eugene Kenck, Bill Moore, Dodge Osborne, Burt Parker, Jim Rice, Bob Rusinger, Ralph Saylor, Tom Shepherd, Harry Schollenbarger, Leroy Shiff, Ronnie Thompson, Kenny Walker.

Breath taking feats, top-flight entertainment, and thrills galore mark the performances of our tumbling team. Each boy is a good-will ambassador as he travels to conventions, out-of-town games, and conferences.

Three cheers for our "flip-twisters"—they certainly add much to H.H.S.'s record for great athletic achievements.

Mr. James Grimm, their coach, is one of the reasons for their polished performance.

CHEERLEADERS

Composed of two sophomores, two juniors, and two seniors, these peppy girls lead the cheers at all basketball and football games. They also have charge of pep assemblies and pep rallies. This year they had their own float for our Homecoming Parade.

Dottie Tape served as captain of this group and Miss Emily Dudley served as advisor.

Left to Right: Sally Bolton, Joyce Ellison, Marlene Smith, Dottie Tape. Absent were Mary Ellen Irwin and Nancy Ullrey.

Left to Right: Shirley Doyle, Joanne Scruggs, Joyce Amburgy, Diana Henry Phyllis Lodgson.

WHEN GRADUATION EXERCISES ARE OVER

Are You Going To Be A Retail Selling Co-op?

If you like people, and think you would enjoy selling as a career, why not plan to enroll in the tailor-made class for future retailers at H.H.S.?

As a co-op, you attend school four periods each day, and spend the afternoon working in a local retail store. School instruction is practical, dealing with problems encountered by the student on the job. You will study the merchandise you sell, as well as learn theories of salesmanship, merchandising, and display.

Pictured below are members of the Retail Selling co-op class of 1952: Top Row (left to right): Mr. Hock, I. Thornbury, D. Newton, E. Nelson, D. Sandlin, F. Hobbs, J. Thieman, K. Marcum.
